

DRAFT Goals

Goal 1: Preserve and enhance access to natural areas and resource-based recreation, including rivers, trails, and open space.

Goal 2: Manage recreational opportunities within a regional context to accommodate public access, leverage funding, and provide interconnected trails.

Goal 3: Prioritize improvements and maintenance of existing community parks to continue to provide a diversity of recreational experiences.

Goal 4: Promote community engagement to refine ongoing recreational needs and coordinate volunteer support.

Goal 5: Invest in and support the promotion of recreation features in recognition of the importance of recreation as a draw for tourism and quality of life for residents.

Goal 6: Collaborate with regional parks agencies on multijurisdictional projects and improvement standards to provide continuity of service regionally.

Goal 7: Increase public awareness and engagement with county parks through updating branding and marketing strategies

Goal 8: Insure best use of financial resources with focus on maintenance of public assets
