RE: Meeting Date June 6, 2023 Agenda Item #2, File# 23-0154; for Development known as East Ridge Village to additionally include Annexation into EDHCSD's CFD 2019-01

The El Dorado Hills Community Services District ("District") is submitting additional correspondence regarding the ordinance for a community benefit and development agreement between the County of El Dorado and East Ridge Holdings, LLC, El Dorado Land Venture, LLC, and Valley View Realty Investments, LLC for the development known as East Ridge Village Unit on the Approximately 734-acre site identified as assessor's parcel numbers 119-390-001 through 119-390-075 ("Project" or "The Project"). Following the May 11th public hearing held at the Planning Commission, the County Auditor-Controller set up a conference call with the applicant, El Dorado Hills Fire Department, and District staff. That concluded the entirety of the follow up with the District after the Planning Commission directed staff to set up discussions with the applicant. During that meeting it became apparent that this additional correspondence is necessary to address important public facilities provision from the District with which the Project must participate in their fair share of costs. Furthermore, due to the discretionary nature of the Applicant's request(s), the re-opening of the Development Agreement for the Project affords the opportunity of all affected public entities to make-current conditions of approval and other relevant exactions that were not necessary or effectuated when the original agreement was struck several decades ago.

In 2019, the District added a Districtwide CFD 2019-01 that occurred *after* the initial entitlements of this Project were determined in the County's conditions. The District sees this request of the applicant as an update to the County's conditions and the District would appreciate the same opportunity. With the creation of the Districtwide CFD occurring after the initial entitlements of this Project, the County has an opportunity to address the costs of public services and facilities more accurately and appropriately for its service areas, while also assisting other agencies in updating conditions upon the Project.

To be clear: the District asks the county to agree that benefits enjoyed by all community members should be supported by all members of the community, including new residents. This is not a request for a development-specific CFD only for East Ridge, this is asking the new residents of the future community to join the District-wide CFD. Therefore, the District respectfully requests the additional requirement by the County of the applicant to be included in the El Dorado Hills Community Services District Community Facilities District No. 2019-01. Below are the comments and conditions to be addressed.

EXISTING CONDITION OF APPROVAL

57. **Parkland Dedication:** Pursuant to Section 16.12.090 of the El Dorado County Subdivisions Ordinance, the project is subject to the dedication of land, the payment of fees in lieu thereof, or a combination of both. Parkland dedication shall be calculated based upon factors for development within the El Dorado Hills Community Services District. Parks shall be offered to the El Dorado Hills Community Services District. Prior to the recordation of the first final map, the applicant shall show evidence of an agreement with the El Dorado Hills Community Services District for location, size, improvements, and timing of dedication/acceptance of the parks, and assure compliance

with the parkland dedication requirements.

This Condition of Approval only applies to the legal requirements of dedicating parkland, and not sharing the costs of maintaining and providing park and recreation services in the community.

COMMUNITY FACILITIES DISTRICT (CFD)

As part of the Board of Supervisor's approval of a new CFD or Development Agreement, annexation into the following Community Facilities Districts (CFDs) is required:

El Dorado Hills Community Services District Master CFD 2019-01

Annexation into the District's Master CFD 2019-01 will satisfy the requirement for participating in the funding of the ongoing maintenance of future parks, trails, recreation facilities and pathways, open space, landscaping, lighting and other common or public areas owned/maintained by the District within the District's service boundary.

For complete District Policy guidelines, please see Policy Guide Services 6000 – Facility Development on our website at www.eldoradohillscsd.org/about/administration-finance.html

5	Office Property	\$0.25 per Sq. Ft. of Non-Residential Floor Area
6	Industrial Property	\$0.10 per Sq. Ft. of Non-Residential Floor Area

b. Increase in the Maximum Special Tax

On each July 1, commencing on July 1, 2020, the Maximum Special Tax for Developed Property shall be increased annually by the change in the San Francisco Urban Consumer Price Index (during the twelve (12) months prior to December of the previous Fiscal Year) plus one percent (1.00%).

2. Undeveloped Property

No Special Taxes shall be levied on Undeveloped Property.

3. Prepayment of Special Tax

No prepayment of the Special Tax shall be permitted in CFD No. 2019-01.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2019-20 and for each following Fiscal Year, the Board shall levy the annual Special Tax Proportionately for each Assessor's Parcel of Developed Property at up to 100% of the applicable Maximum Special Tax, until the amount of Special Taxes equals the Special Tax Requirement.

E. EXEMPTIONS

In addition to Undeveloped Property being exempt from annual Special Taxes, no Special Tax shall be levied on Public Property or Property Owner Association Property. However, should an Assessor's Parcel no longer be classified as Public Property or Property Owner Association Property, such Assessor's Parcel shall, upon each reclassification, no longer be exempt from Special Taxes.

F. APPEALS AND INTERPRETATIONS

Any landowner or resident may file a written appeal of the Special Tax on his/her property with the CFD Administrator, provided that the appellant is current in his/her payments of Special Taxes. During the pendency of an appeal, all Special Taxes previously levied must be paid on or before the payment date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination. If the CFD Administrator agrees with the appellant, the CFD Administrator shall eliminate or reduce the Special Tax on the appellant's property and/or provide a refund to the appellant. If the CFD Administrator disagrees with the appellant and the appellant is dissatisfied with the determination, the appellant then has thirty (30) days in which to appeal to the Board by filing a written notice of appeal with the clerk of the District, provided that the appellant is current in his/her payments of Special Taxes. The second appeal must specify the reasons for the appellant's disagreement with the CFD Administrator's determination. The CFD Administrator may charge the appellant a reasonable fee for processing the appeal.

The District may interpret this Rate and Method of Apportionment for purposes of clarifying any ambiguity and make determinations relative to the annual administration of the Special Tax and any landowner or resident appeals. Any decision of the District will be final and binding as to all persons.

G. MANNER OF COLLECTION

The annual Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that CFD No. 2019-01 may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels as permitted by the Act.

H. FUTURE ANNEXATIONS

If, in any Fiscal Year, a Property Owner within the Future Annexation Area wants to annex property into CFD No. 2019-01, the CFD Administrator shall apply the following steps as part of the annexation proceedings:

First: Working with the District and the Property Owner, the CFD Administrator shall determine the Maximum Special Tax that will apply to all Land Use Classes expected within the area to be annexed. Once determined, the Maximum Special Tax for the annexing area shall be identified in the Unanimous Approval Form which will be executed by the Property Owner as part of the annexation process. If the Maximum Special Tax that will apply to the annexed area is different than the Maximum Special Tax that is in effect for other Tax Zones that exist at the time of the annexation, the newly annexed area shall be designated as a separate Tax Zone for purposes of this Rate and Method of Apportionment.

Second: The Unanimous Approval Form shall be executed by the Property Owner(s) of the Assessor Parcel(s) annexing into CFD No. 2019-01. No additional hearings or procedures shall be required, as the executed Unanimous Approval Form shall be deemed to constitute a unanimous vote in favor of the authorization to levy the Special Tax of CFD No. 2019-01 on the Assessor Parcel(s).

Third: The CFD Administrator shall prepare an annexation boundary map and a Notice of Amended Special Tax Lien for the properties to be annexed into CFD No. 2019-01. Once the Board has determined the Special Tax has been authorized by the Properties Owner(s), the CFD Administrator shall ensure the annexation boundary map and Notice of Amended Special Tax Lien are recorded with the County.

J. TERM OF SPECIAL TAX

The Special Tax shall be levied in perpetuity as necessary to meet the Special Tax Requirement, unless no longer required to pay for Authorized Services as determined at the sole discretion of the District.
