Dear Mr. Henriquez:

The Chief Administrative Office has been working with Cameron Estates Community Services District regarding the exchange of tax increment for the Deubel Annexation, LAFCO Project No. 2012-03.

In order to allow all parties to appropriately consider the proposed exchange, the County of El Dorado desires to extend the negotiation period to 90 days per Revenue and Taxation Code § 99(b)(4):

If a local agency involved in these negotiations notifies the other local agencies, the county auditor, and the local agency formation commission in writing of its desire to extend the negotiating period, the negotiating period shall be 90 days.

Please contact Mike Applegarth in my office at (530) 621-5123 should you have any questions about this matter.

Sincerely,

A handwritten signature in blue ink that reads "Terri Daly".

Terri Daly,
Chief Administrative Officer
