Q12 What additional comments or information would you like to share with us?

Answered: 24 Skipped: 66

#	RESPONSES	DATE
1	Protecting our open, natural spaces is important. Overdeveloping the Coloma-Lotus valley for the sake of increased business should not be the priority. People come here because it seems remote and scenic. Our area needs safer roads, crosswalks at 49 and Lotus Rd., bike lanes, more parking especially at HLP, Greenwood and Cronan (preferably gravel not paved and shaded would be ideal) and better ways to slow drivers through the state park on 49. Once this infrastructure is in place, the county can look at expanding recreation opportunities all while making sure the impact on the environment is not detrimental. Also, absolutely keep Dollar General out of Coloma-Lotus. No chain stores or restaurants.	10/7/2021 5:48 PM
2	Thanks	9/22/2021 6:44 AM
3	Fire escape routes are dangerously unknown by public and residents and unmarked. Should be made clear and maintained. Clark Mtn rd is one of worst.	9/20/2021 3:51 PM
4	By adding additional parking make it available to all user groups.	9/19/2021 12:48 PM
5	HLP needs better management. Often overflowing trash, no staffing, fire dangers, etc. Before expanding park, please improve management/staffing.	9/17/2021 6:55 PM
6	Provide road shoulders for biking and pedestrians on Lotus Rd from the Heavens Gate area to Hwy 49	9/17/2021 3:06 PM
7	Bike lanes are needed to make the community safer for visitors and locals. It would also help allow locals to get around the community with a vehicle. To me this need supersedes all else. Id love to see expanded parks and public spaces but not without safe bike lanes.	9/17/2021 2:01 PM
8	The pedestrian safety in Marshal Gold State Park is of extreme concern. The traffic through the Park and up to Cold Springs Road is really awful! It is very difficult for pedestrians from the Park and two campgrounds to walk safely to the market. Drivers speed all day and all night long along 49 through the Park. Speed bumps and/or round-about or something needs to be done to slow cars down down during the day AND the night.	9/17/2021 1:36 PM
9	Incredibly inept survey. Some questions require you listing every item, others do not. There is no item dealing with what landowners as opposed to visitors experience with all the crowding. We do not need more tourism. We are beyond capacity now. Our roads are choked, noise is too loud, the river is out of control crowded and on and on. We came here because the community was small and now you want to increase the impact from even more tourists? Unbelievable.	9/17/2021 12:45 PM
10	I feel that the biggest issue negatively affecting our community is excessive noise during the summer months from live music in town. And I don't mean just music, I mean noise levels that are totally unnecessary. I live about .7 miles from Whitewater Pizza, and their music is often too loud at my house. This noise level simply degrades the community: none of my local or out of town friends want to go into town when the music is so loud. It is not only offensive but probably much higher than the level that is damaging to human hearing. Note - I have not conducted decibel tests. This type of noise level seems to only bring out those who drink and party too much, and leave their mess in the area. It degrades our town and makes it unattractive. Another note - I am not against Whitewater Pizza. I wish them success and hope they will take steps to be more accomodating with us locals. They bring in some good bands and I would love to patronize, but not at excessive noise levels.	9/15/2021 6:55 PM
11	Public safety is paramount. I'm all for staffing station 74 and adding a fee for local businesses to collect from users in the area to help fund this. Charge (or charge more) for access to BLM and County Parks Magnolia/Cronin/Greenwood/HLP to help cover the expense of increased staffing at 74. Increase recreational opportunities! We live in a great area, let's preserve the visual integrity of the area. Make drinking on the river ILLEGAL to limit the glass and debauchery, drunk driving and trash associated with sloppy drunk people in our area and on our roads- and ENFORCE IT.	9/12/2021 3:02 PM
12	There need to be restrooms in the upstream part of HLP (the Hwy 49 bridge end). We need signs that point to highways (not just towns) so in emergency or even non emergency tourists	9/12/2021 9:40 AM

know how to get out of town. We need signs welcoming tourists into town too. Really glad to see campfire bans. Visitors need to be educated about not tossing cigarette butts or causing sparks with vehicle chains and equipment - locals do too.

13	We would like more mt. biker trails and trail connections all along the South Fork and Folsom Lake.	9/11/2021 3:06 PM
14	HLP is poorly managed and the improvements (rock wrapping, new shade structure) are underwhelming or unnecessary. Hard to support more Parks efforts when those that have been done recently were so poorly executed.	9/11/2021 3:02 PM
15	Many thanks for reaching out!	9/10/2021 3:54 PM
16	How would owning property across the river help unless you are considering another access which would require major road improvements. Or you are just spending money for people to swim across the river	9/10/2021 2:23 PM
17	Lee McCormack might besomeone to contact (his brother lives in Roseville) to ask if he would do courses/education here in Cronan... I suspect this will easily sell out!	9/10/2021 2:11 PM
18	Emphasis on fire prevention and tree canopy management for roads, particularly Cold Springs at 49.	9/10/2021 10:36 AM
19	The most important thing I'd like to see from the County is better communication and enforcement of fire bans during the summer/fire season.	9/10/2021 9:36 AM
20	influx of non residents : bad air from auto. noise. undue congestion.	9/10/2021 8:05 AM
21	More focus on non- motorized recreation: trails, bike lanes, whitewater park. And our new facilities should be solar and not dependent on oil products/gas powered vehicles. Thanks for all you do!	9/9/2021 10:10 PM
22	It would be great if we could find a way to cut down on the people who park along Lotus Rd and 49 so they can come and party by the river. (Perhaps a county ban on alcohol at the river?) The party crowd leaves tons of trash along the river and roadside and cigarette butts everywhere. They also create traffic hazards, make illegal campfires (I've seen them personally) and they don't tend to support local businesses other than to maybe buy more beer and ciggies. Maybe a river park (awesome) or catering to the adventure tourism crowd could squeeze out the partiers. It would be great to not have to deal with the idiots and their copious garbage.	9/9/2021 8:09 PM

24	Tourism in this town is a double edged sword. There has never been any carrying capacity studies and no means to accommodate and manage the masses. The residents are the ones impacted the most with traffic, noise, trash, crowded roads and resources. We are also the ones paying to support the tourists. Look at Bend, Moab, and many other tourist attractions, any of the State and National Parks--they are overcrowded and under managed. Yosemite and other venues have set user limits and that needs to be addressed in this valley as well. These surveys are not useful sources of information. Any visitor can reply as many times as they want each time they visit which biases results in favor of people not directly living in the valley or contributing to the community. While it is true that businesses benefit from volume, landowner and property owners do not. There is no trickle down from any of the business profit to the community. The questions on the survey are limited in scope and are repetitive, leading to sub standard answers. This entire survey and the way it has been conducted is a waste of time and money which is not surprising given the source.	9/9/2021 5:29 PM

1	The park is very well done with excellent staff working there. Appreciate the care that has been taken to include indigenous and all peoples who helped settle this area. Very nice gift shop also! Appreciate open and clean restrooms! Thanks!	10/18/2021 7:00 PM

12	There is already plenty to do in Coloma. And it reminds me of home. If you add more stuff people may come but it will take away from the home ness of a small historic town and you will loose longtime visitors and maybe residents too	9/14/2021 8:08 AM

19	We raft or SUP in Lotus/Coloma in the summer and mountain bike in the winter. We live in Rancho Cordova about 45 min. away only but love coming up for long weekends of vacation, camping at Camp Lotus. You have a gem!	8/20/2021 2:28 PM

22	I am conflicted in this and understand it is very much a balancing act. On one hand, I view the area as a wilderness paradise and love how difficult it is to access the majority of the area and the danger inherent in doing so. It keeps the region not feeling overly impacted like the confluence has become. This has been my dominate stance for the last decade plus. On the other hand, after having a kid, I feel that the region is unwelcoming to Families with younger kids and does a poor job of facilitating the bringing of them to the region for the same reasons I	8/13/2021 1:28 PM

used to enjoy it. Lotus park and Cronan Ranch are presently pretty much the only places we can go for less adventurous, but still outdoor, activities with our daughter.

23	I love visiting the Coloma/Lotus area--kayak, hike, drink beer, eat at the various restaurants--I come up as often as possible Spring thru late Fall--enjoy it every time.	8/10/2021 8:22 AM
24	We love the river shuttle. We easily saved a cumulative of 60 hours in driving (time and gas) within a year. We are starting to carpool with more people driving from Bay Area, saving more gas because we can all take the shuttle. Thank you to the Coloma River Shuttle team for doing a fantastic job running this program!	8/9/2021 4:11 PM
25	I love the Coloma-Lotus community!	8/9/2021 3:58 PM
26	Enjoyed river rafting.	8/9/2021 6:00 AM
27	We look forward to our Coloma trip every year! Please don't change a thing. It's such a fun & friendly place to visit.	8/8/2021 5:47 PM
28	Such an amazing area with great camping & whitewater rafting!!	8/7/2021 5:18 PM
29	We appreciated the friendliness of the local people we encountered. More options for dining near rafting would have been optimal.	8/5/2021 11:09 AM
30	This is a beautiful area. I have encountered many friendly and helpful people. I plan to return again, probably numerous times especially in the summer to enjoy the American River.	7/28/2021 10:06 PM

34	Anthony was our guide for white water rafting. Anthony was amazing. Anthony made the entire trip such a wonderful experience! It was my family's first time and Anthony made us all very comfortable. Anthony had such a funny personality.. we all enjoyed Anthony's sense of humor. Anthony had a yummy picnic set up for us as well. We truly appreciate Anthony! Anthony was an exceptional guide!! Great job Anthony!!	7/24/2021 4:19 PM
35	We love this beautiful area and would love to come again when temps are cooler to do more hiking and biking. We absolutely loved the whitewater rafting trip with WET down south fork!	7/20/2021 11:28 AM
36	Shuttle is great. The dollars put into the Hennessy Parking lot and park, the upgrades to MGD Park are very evident and appreciated.	7/20/2021 10:15 AM
37	A good bicycle rack at Marshall Gold would be amazing. The bicycle rack that was recently installed is plastic. That plastic rack could be kicked down or cut down by bicycle thieves in minutes. A secure metal rack like the one at Greenwood would make it easier for my husband and me to bike the shuttle from Marshall Gold to Greenwood when we paddle with our little kids.	7/19/2021 10:06 PM
38	Not many good pubs!	7/19/2021 5:29 PM
39	Where can I learn more about the Henningsen quarry and how it developed into the park it now is? Same for the old bridges that are remaining in the river.	7/19/2021 4:54 PM
40	Coloma/Lotus is so beautiful; the people are so friendly and welcoming, the Coloma shuttle is fabulous. Camping is great but limited and last minute reservations are very challenging. We would visit more often if we could be spontaneous and reserve camping the day prior to our visit.	7/19/2021 4:51 PM

44	There really is NOT enough hiking around Coloma. Yes, I can hike up to the statue in the Gold Park (15 minutes) and that's about it. I can't go to 'Dutch Creek Waterfall' that is on google maps because of neighbors, barb wire and signs. If I go to the Dave Moore Nature area, it always looks like someone is casing my vehicle and it's short flat trails anyway. There should be a way to hike ALONG the river or TOO SOMEWHERE. For instance if there was a way to	7/16/2021 3:26 PM

hike to Gold Hill Winery that would be fun. It would also be interesting to just park and eat in Coloma but take a shuttle bus to wineries, the RV parks, or even Georgetown. Lastly, sometimes it is difficult to know which restaurants in the town center are open or closed at different times of the days/seasons etc. So some better signage might be helpful.

45	Thanks for making this river the PUBLICS to use, flow releases., good access. Business that cater to river runners. Live Music at bars, so much more. Lots of Friends and the Coloma River Shuttle is wonderful for use of access to put ins and take outs.	7/13/2021 5:43 PM
46	I'd love to see the community that this town use to be Coloma use to be very community based but now is very spread out	7/13/2021 3:45 PM
47	Wish there was more housing, please do not give money to American River Resort or its owners. Fund whitewater rafting and wine, possibly Marijuana cultivation. Please help the restaurants	7/12/2021 2:07 PM
48	Love the area, but its definitely become more crowded over the years. A Chili Bar Day use area with restrooms would be more welcoming! Also the E-Coli at Hennington-maybe use Goose busters to keep the geese away from this area?	7/12/2021 8:37 AM
49	I'd like to see the town become more bike or walking friendly. Or the area upstream of henningsen lotus park with bathroom access. We walked along the trail there and the amount of people and the amount of trash and litter from people using the restroom near those eddies/beaches was gross.	7/11/2021 6:29 PM
50	More walking friendly crosswalks to move around town on.	7/11/2021 6:28 PM
51	Please do not put in a whitewater park. We enjoy the natural beauty of the river and the construction and impacts would be devastating to what little remains of the natural riparian habitat. The river is busy enough.	7/11/2021 10:27 AM
52	More no frills camping options and river access walking distance from lotus business for poor dirtbag boaters like us.	7/11/2021 9:37 AM
53	Raft guide. Love this place.	7/10/2021 7:36 PM
54	Organize more river cleanup days with party/celebrations after Camping is all catered to cabins or RVs. There are a lot of individuals looking to van or truck camp in legal spots. Dog daycare services would help keep dogs out of heat while owners explore	7/10/2021 7:48 AM
55	i and many friends frequent this area for river and bike use, we spend money all around town when we are there. the coloma shuttle is an excellent service. a whitewater park w a surf wave would draw people in yr round, i also board surf(as opposed to kayak surf) barking dog yr round and buy a season pass from camp lotus to do so. I and many others would pay to access a whitewater park	7/9/2021 11:45 AM
56	The Cronan (Bacci) ranch area is such an incredible asset to the area and addition to the river experience.	7/8/2021 1:48 PM

58	I spent my honeymoon night at the Sierra Nevada House in 1976 and love the fact that my grandchildren live up there now. The Rivershack is fabulous and Juicy Burger is the BEST!!	7/1/2021 4:36 PM
59	We generally enjoyed our day on the river. Seems like there is a little bit of hype around the danger of the whitewater trip which leads one to be fearful of it. For people that are comfortable around water its not scary at all.	6/28/2021 10:34 AM
60	This is a great place to visit or live.	6/27/2021 5:21 PM
61	We love this area and encourage everyone to come here for great trails and restaurants etc.	6/27/2021 2:24 PM

65	I love my tourist town of Coloma	6/25/2021 7:53 PM
66	More accessible river expert	6/22/2021 12:59 PM
67	Parking needs to be increased at Greenwood Creek. A whitewater play park would be selfishly great for me, since I'm a kayaker. Special events at the play park would bring in more people (like the Reno Whitewater Festival. Coloma/Lotus is my weekend home and it's a great place!	6/7/2021 10:21 AM
68	I have lived in the P'ville area for 40+ years and must say the addition of Lotus park and the BLM parks has been a HUGE asset to the area. Thanks,	6/7/2021 7:03 AM
69	A major concern is safety of my vehicle while parked at a kayaking put in location, e.g. Marshall Gold, Greenwood Creek, Salmon Falls.	6/6/2021 7:02 PM
70	Been coming here for...40 years!	6/6/2021 5:15 PM
71	Take out for private boaters is going to be difficult at Henningsen park because now we are being told to use the boat launch. The hike to the grass area with raft gear and then the raft is going to suck. Most times one's pickup is left up at put in. Plus, rolling up the raft in the parking lot just sounds like a bad idea. Going to need to rethink our options for take out.	6/6/2021 3:48 PM
72	Greenwood Creek parking should be paid: too many people and too little parking as a free lot.	6/6/2021 12:26 PM
73	More river access needed.	6/6/2021 12:23 PM
74	The Coloma Shuttle is a wonderful addition to the area. It greatly reduces the number of cars driven to the area and also reduces the amount of driving within the area.	6/6/2021 7:41 AM
75	Need a restaurant with deck view of the river. Need car access or loading area closer to the water at Greenwood Creek.	6/5/2021 7:04 AM
76	Thanks Liz and yous all.	6/4/2021 5:52 PM
77	it'd be great if there were more cheap, drop in campgrounds in the area. it'd also be nice to shuttle to/from campgrounds to reduce parking at put in/take out. Car security is a big issue at parks in Coloma area.	6/4/2021 3:01 PM
78	We have come up to the Coloma Lotus area for 30 years and are looking to retire here.	6/4/2021 2:43 PM
