### Event/Project Description

1. Describe the purpose of the event/project/organization for which funds are being requested. AdventureFest is a group entertainment and recruitment event for both Boy and Girl Troops in Scouting BSA from across El Dorado County, including Troop 645 in El Dorado Hills, Troops 460 B and 460 G from Diamond Springs, and Troop 454 from El Dorado Hills.

2. How will the event/project support or produce a public benefit to El Dorado County?

Scouting does not only benefit the young men and women who go through the program, it also brings tremendous benefits to the community. Troops, which have been extremely hard hit by the lingering effects of the COVID pandemic, contribute thousands of hours per year of free community service projects to El Dorado County. These projects help the needy, improve their quality of life, and provide the amenities that improve all of our property values. By contributing a small donation to this event, the County can catalyze a revival in membership of an organization that delivers tremendous benefits to the community
