It is well known that South Tahoe is the stepchild of the Tahoe Basin. We are often seen as dusty and dilapidated, overrun with tourists and Casinos.

The 56 acre project will be a HUGE step in continuing the transformation of the Local part of town. Please do everything in your power for this site to be improved for both us locals and visitors alike. We need a good location for events or commercial space for a restaurant with a great view. I am not talking about the view of Ski Run Marina or Tahoe Keys Marina. A great spot for the rec center, a city green area for farmers markets and small events. A rec center that you want to recreate in!

We came together as small tracts without any formal planning. It is time to begin planning for the future with enhancements that are in the right part of town. Let's transform Ski Run to Al Tahoe as a true walkable/ bikable city center!
