To whom it may concern:

Responding to Notice of Public Hearing (in which project name and number are not clearly stated! At least I could not locate on either the notice or the given website!)

Lennar has done an EXCELLENT job with the current Heritage developments!

Residents of Blackstone have voiced extreme disapproval of other development plans for the commercial land on the west side of Latrobe yet these opinions seem not to matter to the county developers.

Lennar has a great track record! Their construction projects are always tidy and their homes and grounds beautifully executed. To compare just look at Folsom Ranch and compare Lennar sites w the other builders—no comparison! Lennar is superior! (No, I am not, nor have I ever been associated in any way w Lennar except to have purchased a Lennar home in both Blackstone and Heritage.)

I do not understand the Planning Commission's recommendation of denial! I see no problem with adding more of great quality for senior citizens.... Probably the most responsible of all age groups as a whole! I hope those offering dissenting opinions have logical and excellent reasons!

Sincerely,  
Doris Quintard  
Blackstone Resident
