Dear Mr. Peterson,

I have received your request for fee waivers pursuant to El Dorado County Board of Supervisors Policy B-2 for your project at The Range, located at 3321 El Dorado Hills Boulevard. Your request was for multiple fees, as follows:

1. Refund for grading permit #303845 in the amount of \$614.04. This request is denied, as the Fee Waiving Policy does not have a provision for refunds.
2. Waiver of Building Permit fees in the amount of \$4,333.45. This request is partially approved since the El Dorado Hills Bowmen is a 501(c)7 nonprofit organization providing a substantial public benefit in the form of archery classes and recreation. My authority to waive fees is limited to \$1,000.00 and I am granting that amount for your waiver to the Planning & Building Department.
3. Waiver of Traffic Impact Mitigation (TIM) Fees in the amount of \$8232.00. This request is denied as the Policy does not apply to impact fees such as TIM fees, fire, or school fees.

If I can be of further assistance, please do not hesitate to contact me.

Sincerely,

Don Ashton
Chief Administrative Officer
