Dear Matt,

We would like to inform you that the plans for the Newtown Bridge replacement project are incomplete. We just found out that the neighbor at 4784 Newtown Rd. which has a driveway easement cutting through 4820 Newtown Rd. from the entrance at the bridge, has not been included in your plans or received an offer. 4784 will be severely impacted by this project, losing his current ingress and egress through Wanda Nagel's parcel.

We would also like to inform the BoS that we will be attending the meeting with our attorney Christopher Washington and Wanda Nagel to address the BoS with our letters of objection already submitted for the last meeting.

Thank you,
Lisa Perdichizzi
