### **GRANT OF TEMPORARY CONSTRUCTION EASEMENT**

**MATTHEW E. CARMICHAEL AND ANGELICA CARMICHAEL HUSBAND AND WIFE**, hereinafter referred to as "Grantor", grant to the **COUNTY OF EL DORADO, a political subdivision of the State of California**, hereinafter referred to as "Grantee", a temporary construction easement over, upon, and across a portion of that real property in the unincorporated area of the County of El Dorado, State of California, described as:

**See Exhibits A-2 and B-2 attached hereto and made a part hereof.**

This temporary construction easement is granted under the express conditions listed below:

1. In consideration of \$46.00 (Forty-six Dollars, exactly) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Grantor does hereby grant to Grantee an easement for temporary construction over and across those identified portions of the Grantor parcel.
2. Grantor represents and warrants that they are the owner of the property described in Exhibit A-2 and depicted on the map in Exhibit B-2 attached hereto and made a part hereof, and that Grantor has the exclusive right to grant the temporary construction easement.
3. This temporary construction easement is necessary for the purpose of constructing the Sly Park Road at Clear Creek Road Bridge Replacement Project . Specifically, this temporary construction easement shall allow Grantee or its agents, employees, and contractors the right of ingress and egress as may be reasonably necessary for construction purposes, inclusive of such repairs, replacements, and removals as may be from time to time required as well as for other purposes incidental to construction of the project, including any staging, stockpiling, and parking of construction vehicles or equipment. This temporary construction easement shall not be revoked and shall not expire until the recordation of the Notice of Completion of the Sly Park Road at Clear Creek Road Bridge Replacement Project. Included within this temporary construction easement is the right of ingress and egress of Grantee, its agents, employees, and contractors for warranty repairs and the correction of defects in the work within the first year following completion of construction. This right during the one-year warranty period survives the expiration of this easement. Fencing that is currently in the temporary construction easement area may need to be moved.

If fencing is moved, Grantee will replace fencing with like kind at no expense to Grantor. Temporary fencing will be erected in the interim, if necessary, to maintain security.

4. Compensation under this temporary construction easement covers the construction period estimated to be 24 (Twenty-Four) months of construction, together with the one-year warranty period. In the event that construction of the Sly Park Road at Clear Creek Road Bridge Replacement Project is not completed within 24 (Twenty-Four) months of commencement of construction, Grantor shall be entitled to additional compensation as follows: for each month thereafter, the sum of \$ 2.19 (Two Dollars and Nineteen Cents, exactly) will be paid to Grantor, until construction is completed.
5. Grantee agrees to indemnify and hold harmless Grantor from and against any liability arising out of the entry onto the property by Grantee or its agents, employees, and contractors during the term of this temporary construction easement. In the event of property damage, Grantee, at its sole option, may either repair the damage or pay the estimated costs for the repair.
6. TO HAVE AND TO HOLD said lands and interests therein unto COUNTY OF EL DORADO and its successors forever, subject, however, to the covenant, conditions, restrictions and reservations herein contained as follows, which will remain in effect for the period during which the real property or structures are used for a purpose for which federal financial assistance is extended or for another purpose involving the provision of similar services or benefits and shall be binding on COUNTY OF EL DORADO, its successors and assigns.

COUNTY OF EL DORADO, does hereby covenant and agree as a covenant running with the land for itself, successors and assigns, that

- (a) no person shall on the grounds of race, color, sex, national origin, religion, disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination with regard to any facility located wholly or in part on, over, or under such lands hereby conveyed; and
- (b) COUNTY OF EL DORADO shall use the lands and interests in land so conveyed, in compliance with all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in federally-assisted programs of the Department of Transportation – Effectuation of Title VI of the Civil Rights Act of 1964, and as Regulations may be amended; and
- (c) in the event of breach of any of the above-mentioned nondiscrimination conditions, and only after determination that it is necessary in order to effectuate the purposes of Title VI of the Civil Rights Act of 1964, the U.S. Department of Transportation shall have a right to re-enter said lands and facilities on said land, and the above-described land and facilities shall thereon revert to and vest in and become the absolute property of the U.S. Department of Transportation and its assigns as such interest existed upon COUNTY OF EL DORADO's acquisition.
