Re: Serrano Village M-4 - TM 05-1393; Board Hearing of April 1, 2008

Dear Mr. Storer:

This firm represents Serrano Associates. On behalf of our client, we request a continuance of the above-referenced item to April 22, 2008. At the prior Board meeting on this item, Supervisor Dupray directed us to attempt to work with our neighbors regarding their concerns. We have met on several occasions with the Green Springs Ranch Border Committee and Mr. and Mrs. Van Dyke. As of this morning, all parties are confident that a final agreement on the revised map will be achieved by the end of the week. A continuance to April 22, 2008 will allow us time to secure the consents and will allow your staff time to review the revised map.

Please call with any questions.

Very truly yours,

HEFNER, STARK & MAROIS, LLP
