Additional engineering effort by DataWorks Plus beyond the scope of the standard product will be charged at our standard rate of \$250 per hour, plus any related travel or administrative expenses. CJIS, SOC II, or other audit reports needed by the customer will be billed additionally at the standard hourly rate.

Upon expiration of warranty for the above equipment, Standard Maintenance for the first year will be available at 12% of the system list price, and is renewable annually thereafter at then current pricing. Standard maintenance support includes 8 x 5 Monday through Friday with next day onsite support and includes repair or replacement of failed parts and software maintenance. Premium Plus Maintenance will be offered for 14% of the system list price for upgraded 24 x 7 coverage.

DataWorks Plus believes in ensuring that your data is secure. As such, all DataWorks Plus employees must pass an FBI background check as part of our hiring process. DataWorks Plus understands that agencies have their own background processes and will comply with standard vendor background checks for employees either participating in the install or on-going maintenance. Standard vendor background checks include fingerprints, employment history, local, state and/or FBI checks. Extensive background processes beyond what is considered a standard check will be at the sole financial responsibility of the agency and should be coordinated with DataWorks Plus for scheduling and billing. CJIS, SOC II, or other audit reports needed by the customer will be billed additionally at the standard hourly rate. For a custom quote, contact your account manager.
