CSAC EXCESS INSURANCE AUTHORITY GENERAL LIABILITY II PROGRAM MEMORANDUM OF COVERAGE

In consideration of the payment of the premium, if paid, in reliance upon the statements in the Declarations made a part hereof and subject to all of the terms of this General Liability II Program Memorandum of Coverage (Memorandum), the CSAC Excess Insurance Authority (Authority) agrees with the Member as follows:

COVERAGE AGREEMENT

The Authority will reimburse the **covered party** for **ultimate net loss** in excess of the self-insured retention hereinafter stated which the **covered party** shall become legally obligated to pay as **damages** by reason of liability imposed by law or liability assumed by contract because of:

Coverage A. **Bodily injury and property damage**

to which this Memorandum applies, caused by an **occurrence**;

Coverage B. **Personal injury**

to which this Memorandum applies, caused by an offense;

Coverage C. **Public officials errors and omissions liability or**

Coverage D. **Employment practices liability**

to which this Memorandum applies, caused by a **wrongful act**.

DEFENSE AND SETTLEMENT COSTS

After the amount of the **covered party's** self-insured retention has been exhausted by payment of judgments, settlements and/or **defense costs**, the Authority will reimburse the **covered party** for **excess defense costs** the **covered party** incurs on covered losses. The Authority's liability for **excess defense costs** is subject to, and not in addition to, the Authority's limit of liability.

The Authority shall have the right, but not the duty, to associate itself, at its own cost, with the **covered party** in the control, investigation, defense or appeal of any claim or **suit** which, in the opinion of the Authority, is or may be covered by the Memorandum. The **covered party** shall fully cooperate in all matters pertaining to such claim or **suit**.

No claim or **suit** shall be settled for an amount in excess of the **covered party's** self-insured retention without the prior written consent of the Authority.

SELF-INSURED RETENTION – THE AUTHORITY’S LIMIT OF LIABILITY

Regardless of the number of (1) **covered parties** under this Memorandum, (2) persons or organizations who sustain injury or **damage**, (3) claims made, or (4) **suits** brought on account of **bodily injury, property damage, personal injury, public officials errors and omissions liability** or **employment practices liability**, the Authority's liability is limited as follows:

- A. With respect to **bodily injury, property damage, personal injury, public officials errors and omissions liability**, and **employment practices liability**, or any combination thereof, the Authority's liability shall be only for the **ultimate net loss** in excess of the self-insured retention as specified in the Declarations as the result of any one **occurrence**, offense, or **wrongful act**, and then for an amount not exceeding the Authority's limit of liability specified in the Declarations as the result of any one **occurrence**, offense, or **wrongful act**.
- B. For the purpose of determining the limit of the Authority's liability, as respects Coverages A and B, all **damages** arising out of continuous or repeated exposure to substantially the same general conditions shall be considered as arising out of one **occurrence** under Coverage A or one offense under Coverage B. For the purpose of determining the limit of the Authority's liability, as respects Coverages C and D, all **damages** arising out of a single act, error or omission or a series of related acts, errors or omissions shall be treated as arising from a single **wrongful act**. There is no limit of the number of **occurrences** during the Memorandum Period for which claims may be made, except that the liability of the Authority arising out of the **Completed Operation Hazard** because of all **occurrences** shall not exceed the amount specified in the Declarations for each twelve months, commencing with the first day of the Memorandum Period.
- C. **Bodily injury, property damage, personal injury, public officials errors and omissions liability** or **employment practices liability** taking place over more than one Memorandum Period shall be deemed to have taken place during the last Memorandum Period and only that limit shall apply.

Notwithstanding the foregoing, if a claim or **suit** names more than one Member, a separate self-insured retention and a separate limit shall apply to each Member.

To injury to or destruction of (1) property owned by a **covered party**, or (2) property rented or leased to the **covered party** where the **covered party** has assumed liability for damage to or destruction of such property unless the **covered party** would have been liable in the absence of such assumption of liability, or (3) **aircraft** or **watercraft** in the care, custody or control of any **covered party**;
- D. As respects liability assumed by the **covered party** under any contract:
1. To any claim, judgment or agreement from any arbitration proceeding wherein the Authority is not entitled to exercise with the **covered party**, the **covered party's** rights in the choice of arbitrators, and in the conduct of such proceedings; or

5.Buildings or other properties in connection with aviation activities.

This exclusion shall not apply, however, (1) to liability arising out of the ownership, operation, rental, or loan of vehicles licensed for highway use while being operated away from the premises of any airfield owned or operated by the **covered party**; or (2) to **non-owned aircraft** operated by or on behalf of the **covered party**;

- F. To liability arising out of or in connection with the operation of any hospitals, clinics, or established health care facilities owned or operated by the Member due to:

Notwithstanding such exceptions to this exclusion as are set forth immediately above, however, if any collectible insurance or other coverage, including but not limited to coverage afforded by any other Authority program, is available to the **covered party**, for liability for loss, **damage** or injury arising from the operation of any clinic or other established health care facility (whether on a primary, excess or

contingent basis), any coverage afforded hereunder shall apply in excess of, and shall not contribute with, such insurance or other coverage; provided that this clause does not apply with respect to excess insurance purchased specifically to be in excess of this Memorandum, or to insurance or reinsurance which is intended to provide the remainder of the limit of liability stated in the Declarations of this Memorandum when the coverage afforded under this Memorandum provides less than 100 percent of the limit set forth in the Declarations;

- G. To liability, directly or indirectly, arising out of or in connection with the principles of eminent domain, condemnation proceedings or inverse condemnation, by whatever name called, whether grounded in federal or state law, regardless of whether such claims are made directly against the **covered party** or by virtue of any agreement entered into by or on behalf of the **covered party**.

This exclusion does not apply to any aspect of inverse condemnation liability directly arising out of physical injury to, or destruction of, tangible property neither expected nor intended from the standpoint of the **covered party**, even though the legal theory upon which a claimant seeks recovery under or the remedy sought constitutes a principle of inverse condemnation; provided, however, this exception does not apply to any nonphysical consequential **damages** or to expert or attorney fees claimed by or awarded to a claimant or a plaintiff in a **suit**.

- H. To liability arising out of the failure to provide an adequate supply of fuel, water or electricity; however, this exclusion applies only if such failure to provide results from any decision by the Member's governing body with respect to (1) obtaining such fuel, water or electricity, or (2) allocating such fuel, water or electricity among the users thereof;
- I. To **property damage** arising out of **subsidence**;
- J. To liability for **bodily injury** or **property damage** arising out of any transit authority, transit system or public transportation system owned or operated by any **covered party**. - K. To liability arising out of the hazardous properties of **nuclear material**;
- L. To liability imposed upon a **covered party** (or which is imputed to a **covered party**) under the "Employment Retirement Income Security Act of 1974" and any law amendatory thereof;
- M. To liability arising out of the rupture, bursting, overtopping, accidental discharge or partial or complete failure of any **dam(s)**;

- N. To any liability for past, present, or future claims or **suits** arising in whole or in part, either directly or indirectly, out of the mining, manufacture, distribution, sale, resale, rebranding, installation, repair, removal, encapsulation, abatement, replacement or handling of, or exposure to, asbestos or products containing asbestos, whether the asbestos is or was at any time airborne as a fiber or particle, contained in a product, carried on clothing, inhaled, transmitted in any fashion, or found in any form whatsoever;
- O. 1. To liability arising out of the actual or threatened discharge, dispersal, seepage, migration, release or escape of **pollutants** anywhere in the world;
2. To **ultimate net loss** arising out of any governmental direction or request that the Authority, the **covered party** or any other person or organization test for, monitor, clean-up, remove, contain, treat, detoxify, neutralize or assess the effects of **pollutants**; or
3. To **ultimate net loss**, including but not limited to costs of investigation or attorneys' fees, incurred by a governmental unit or any other person or organization to test for, monitor, clean-up, remove, contain, treat, detoxify or neutralize **pollutants**;

2. The **completed operations hazard**; or
3. Any discharge, dispersal, seepage, migration, release or escape of pollutants that meets all of the following conditions:
 - a) It was accidental and neither expected nor intended by the **covered party**. This condition would not serve to deny coverage for a specific incident where such discharge, dispersal, seepage, migration, release or escape of pollutants was a result of an attempt by the **covered party** to mitigate or avoid a situation where substantial third party **bodily injury, property damage or personal injury** could occur;

- b) It was demonstrated as having commenced on a specific date during the term of this Memorandum;
- c) Its commencement became known to the **covered party** within seven calendar days and was further reported to the person responsible for risk management at the Member within a reasonable time frame;
- d) Its commencement was reported in writing to the Authority within twenty-one calendar days of becoming known to the person responsible for risk management at the Member; and
- e) Reasonable effort was expended by the **covered party** to terminate the situation as soon as conditions permitted;

However, nothing contained in this provision 3, shall operate to provide any coverage with respect to:

- b) Any fines or penalties;
- c) Any clean up costs ordered by the Superfund Program, or any federal, state or local governmental authority. However, this specific exclusion c) shall not serve to deny coverage for third party clean up costs otherwise covered by this Memorandum simply because of the involvement of a governmental authority;
- d) Acid rain;
- e) Clean up, removal, containment, treatment, detoxification or neutralization of pollutants situated on premises the **covered party** owns, rents or occupies at the time of the actual discharge, dispersal, seepage, migration, release or escape of said pollutants; or

- 1. **Bodily injury, property damage, personal injury, or employment practices liability** as defined in the Memorandum;

2. Injury to, destruction or disappearance of any tangible property (including money) or the loss of use thereof; or
3. Failure to perform, or breach of, a contractual obligation.

Nothing contained in this exclusion shall limit the **covered party's** rights of recovery, if applicable, under Coverages A, B, and D of this Memorandum;

- R. To the refund of taxes, fees or assessments;
- S. To liability of a **covered party** arising in whole or in part, out of any **covered party** obtaining remuneration or financial gain to which the **covered party** was not legally entitled except that any act for which a **covered party** is responsible shall not be imputed to any other **covered party** for purposes of this exclusion;
- T. To liability arising out of the willful violation of a penal statute, code, or ordinance committed by or with the knowledge or consent of any **covered party** except that any act for which a **covered party** is responsible shall not be imputed to any other **covered party** for purposes of this exclusion;

1. Strikes and lockouts. This Memorandum does not apply to any claim or **suit** for loss arising out of a lockout, strike, picket line, replacement or similar actions in connection with labor disputes or labor negotiations;
 2. W.A.R.N. Act. This Memorandum does not apply to any claim or **suit** for loss arising out of the Workers Adjustment and Retraining Notification Act, Public Law 100-379 (1988), or any amendment thereto, or any similar federal, state or local law;
 3. Any cost incurred by the **covered party** to modify or purchase any building or property in order to make said building or property more accessible or accommodating to any disabled person; or

4. **Property damage, personal injury, and public officials errors and omissions.**

- Y. To liability arising out of (1) the ownership, maintenance, operation, use, loading, or unloading of any mobile equipment or vehicle, including any motorized **watercraft**, while being used in any prearranged or organized racing, speed or demolition contest or in any stunting activity or in practice in preparation for any such contest or activity, or (2) the operation or use of any snowmobile or trailer designed for use herewith when used for recreational, stunting or racing activities.

However, this exclusion shall not apply to liability arising out of the ownership, maintenance, operation, use, loading or unloading of any non-motorized **watercraft**.

AA. To liability arising out of or by reason of:

1. The purchase, or sale, or offer of sale, or solicitation of any security, debt, bank deposit or financial interest or instrument;

- C. The **covered party** shall cooperate with the Authority and upon its request, assist in making settlements, in the conduct of **suits** and in enforcing any right to contribution, subrogation or indemnity against any person or organization who may be liable to the **covered party** because of liability with respect to which coverage is afforded under this Memorandum, and the **covered party** shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses. The **covered party** shall not, except at its own costs, voluntarily make any payment, assume any obligation or incur any expense; however, in the event that the amount of **ultimate net loss** becomes certain either through trial court judgment, arbitration award, or agreement among the **covered party**, the claimant and the Authority, then the **covered party** may pay the amount of **ultimate net loss** to the claimant to effect settlement and, upon submission of due proof thereof, the Authority shall indemnify the **covered party** for that part of such payment which is in excess of the self-insured retention, or shall, upon request of the **covered party**, timely make such payment to the claimant on behalf of the **covered party**.
- D. The Authority, at its option, shall have the right at its own expense to investigate any claim or **suit** and/or negotiate the settlement thereof, as it deems expedient,

but the Authority shall not commit the **covered party** to any settlement without the **covered party's** consent. Should the claimant or plaintiff, as the case might be, tender a bona-fide, good faith, settlement demand which when added to the incurred **defense costs** is in excess of the **covered party's** retention, the payment of which would result in the full and final disposition of said claim or **suit**, then if such settlement demand is acceptable to either (1) the **covered party**, or (2) the Authority (but not both), then with regard to that settlement demand:

1. If such settlement demand is not acceptable to the Authority and the **covered party** tenders to the Authority an amount equal to the **covered party's** retention less incurred **defense costs**, if any, the Authority shall then reimburse the **covered party** all sums which the **covered party** shall be legally obligated to pay as **damages**, including without limitation, the **covered party's** retention, plus future investigation, adjustment, appraisal, appeal, post judgment interest and **defense costs**. However, in no event shall the Authority's agreement to reimburse the **covered party** exceed the limit of liability as stated in the Declarations in addition to such investigation, adjustment, appraisal, appeal, post-judgment interest and **defense costs**. Should the full and final disposition of the claim, including judgments, settlements, investigation, adjustment, appraisal, appeal, post-judgment interest and **defense costs** be less than the amount tendered by the **covered party**, the unused portion of the tendered amount shall be returned to the **covered party** by the Authority.
2. If such settlement demand is not acceptable to the **covered party** and the Authority tenders to the **covered party** an amount equal to the difference between the **covered party's** retention, less incurred **defense costs**, and said settlement demand, or the applicable amount specified in the limits of liability section of the Declarations, whichever is less, then the Authority's agreement to reimburse the **covered party** for the **ultimate net loss** hereunder shall be discharged and terminated and the Authority shall have no further obligations with respect thereto.

4. APPEALS

When a **suit** has proceeded to trial court judgment and neither the **covered party** nor the Authority have invoked the provisions of Condition 3.D. 1. or 2. above and the **covered party** elects not to appeal a judgment in excess of the self-insured retention, the Authority may elect to do so at its own expense, but in no event shall the liability of the Authority for **ultimate net loss** exceed the applicable amount specified in the limits of liability section of the Declarations inclusive of all **defense costs** necessary and incident to such appeal.

5. ACTION AGAINST THE AUTHORITY

No action shall lie against the Authority with respect to any one **occurrence**, offense, or **wrongful act** unless, as a condition precedent thereto, the **covered party** shall have fully complied with all the terms of this Memorandum, nor until the amount of the **covered party's** obligation to pay an amount of **ultimate net loss** in excess of the self-insured retention shall have been finally determined either by judgment against the **covered party** after actual trial, arbitration award, or by written agreement of the **covered party**, the claimant and the Authority. Any person or organization or the legal representative thereof who has secured such judgment or written agreement, shall thereafter be entitled to recover under this Memorandum the extent of the coverage afforded by this Memorandum. Nothing contained in this Memorandum shall give any person or organization any right to join the Authority as a co-defendant in any action against the **covered party** to determine the **covered party's** liability.

Bankruptcy or insolvency of the **covered party** shall not relieve the Authority of any of its obligations hereunder.

6. OTHER COVERAGE

If collectible insurance with an insurer is available to the **covered party** covering a loss also covered hereunder (whether on a primary, excess or contingent basis), the coverage hereunder shall be in excess of, and shall not contribute with, such insurance; provided that this clause does not apply with respect to excess insurance purchased specifically to be in excess of this Memorandum, or to insurance or reinsurance which is intended to provide the remainder of the limit of liability stated in the Declarations of this Memorandum when the coverage afforded under this Memorandum provides less than 100 percent of the limit set forth in the Declarations.

If other valid and collectible coverage through any insurer or other pooling arrangement is available to the Member for a loss also covered by the Member's self-insured retention and this Memorandum, such other valid and collectible coverage shall apply in lieu of the Member's self-insured retention.

Notwithstanding the foregoing paragraph, if, because of liability arising out of or in connection with the operation of any clinic or established health care facility, coverage for **damages** is available under this Memorandum and under the Authority's Medical Malpractice Program, it shall be conclusively presumed that the coverage afforded under the Medical Malpractice Program shall be primary and any coverage available under this Memorandum shall be excess only. For claims to which this provision applies, the exhaustion of the Authority's limit of liability under the Medical Malpractice Program will satisfy the **covered party's** self-insured retention under this Memorandum.

7. SUBROGATION

The Authority shall be subrogated to the extent of any payment hereunder to all the **covered party's** rights of recovery therefore; and the **covered party** shall do nothing

after loss to prejudice such rights and shall do everything necessary to secure such rights. Any amount so recovered shall be apportioned as follows:

Any interest (including the **covered party's**) having paid an amount in excess of the self-insured retention plus the limit of liability hereunder shall be reimbursed first to the extent of actual payment. The Authority shall be reimbursed next to the extent of its actual payment hereunder. If any balance then remains unpaid, it shall be applied to reimburse the **covered party**. The expenses of all such recovery proceedings shall be apportioned in the ratio of respective recoveries. If there is no recovery in proceedings conducted solely by the Authority, it shall bear the expenses thereof.

8. CHANGES

Notice to the Authority or any agent of the Authority or knowledge possessed by the Authority or any agent of the Authority or by any other person shall not effect a waiver or change in any part of this Memorandum or stop the Authority from asserting any right under the terms of this Memorandum, nor shall the terms of this Memorandum be waived or changed, except by endorsement issued to form a part of this Memorandum.

9. ASSIGNMENT

Assignment of interest under this Memorandum shall not bind the Authority until its consent is endorsed hereon; if, however, the **covered party** shall die, such coverage as is afforded by this Memorandum shall apply (a) to the **covered party's** legal representative, as the **covered party**, but only while acting within the scope of his/her duties as such, and (b) with respect to the property of the **covered party**, to the person having proper temporary custody thereof, as **covered party**, but only until the appointment and qualification of the legal representative.

10. CANCELLATION AND NON-RENEWAL

This Memorandum may be canceled by the **covered party** only at the end of the Memorandum Period and pursuant to the provisions of Article 20(b) of the Joint Powers Agreement. The Authority may cancel this agreement pursuant to the provisions of Article 21(a)(1) and (a)(2) of the Joint Powers Agreement or the Authority's Invoicing and Payment Policy established by the Board of Directors. This Memorandum does not apply to any **occurrence**, offense, or **wrongful act** taking place at or after the effective date of any such cancellation.

In the event of non-renewal by the Authority, notice shall be given to the Member not less than sixty days prior to expiration.

11. MEMBER

The Member named in the Declarations is authorized to act on behalf of all **covered parties** with respect to the giving and receiving of notice of cancellation and receiving

any return premium that may become payable under this Memorandum. The Member named in the Declarations is responsible for the payment of all premiums but the other **covered parties** jointly and severally agree to make such premium payments in full if the Member fails to pay the amount due within thirty days after the Authority gives a written demand for payment to the Member.

12. SEVERABILITY OF INTERESTS

The term **covered party** is used severally and not collectively, but the inclusion herein of more than one **covered party** shall not operate to increase the limits of the Authority's liability.
