RECITALS

WHEREAS, County has determined that it is necessary to obtain Contractor to provide emergency shelter care (ESC) services to children/youth ages 6-17 years old, non-minor dependents of the court (NMDs), as appropriate, and pregnant and parenting teens and their children (children ages 0-5 are only served if they are being cared for by their minor parent who is also being cared for at the shelter) on an "as requested" basis for clients referred by County Health and Human Services Agency (HHSA);

WHEREAS, County desires and has the duty to provide protection in the form of ESC for certain children who have been taken into protective custody by County HHSA (hereinafter referred to as "Client," "child," or "children") and whom County takes or accepts into its charge to ensure their safety and well-being pursuant to the provisions of the California Welfare and Institutions Code (WIC) Section 305, 625, 626(b) and 16500 et seq.;

WHEREAS, Contractor has represented to County that it is specially trained, experienced, expert, and competent to perform the special services described in ARTICLE I, Scope of Services; that it is an independent and bona fide business operation, advertises and holds itself as such, is in possession of a valid business license, and is customarily engaged in an independently established business that provides similar services to others; and County relies upon those representations;

WHEREAS, it is the intent of the parties hereto that such services be in conformity with all applicable federal, state, and local laws;

WHEREAS, County has determined that the provision of such services provided by Contractor are in the public's best interest and that there are specialty skills, qualifications, and equipment not expressly identified in County classifications involved in the performance of the work in accordance with El Dorado County Ordinance Code, Chapter 3.13.030(b), El Dorado County Charter, Section 210(b)(6), and/or Government Code Section 31000;

NOW, THEREFORE, County and Contractor mutually agree as follows:

ARTICLE I

A. Professional License Requirements:

1. Therapeutic Counseling Services: shall be provided by a currently Licensed Clinical Social Worker (LCSW), Licensed Marriage and Family Therapist (LMFT), Licensed Professional Clinical Counselor (LPCC), or Psychologist whose license has been issued and is regulated by the State of California, or as amended by California Department of Consumer Affairs (DCA), Board of Behavioral Sciences. Certified and Registered Counselors also may provide substance abuse counseling services, per California Code of Regulations Title 9, Chapter 8, Section 13000 et seq. Said license(s) must be considered clear, i.e., license renewal fees have been paid, continuing education requirements (if applicable) have been met, and there have been no actions or revocations placed against it by the State licensing or certifying agency.
 - a. DCA, Board of Behavioral Sciences and DCA, Board of Psychology do not have reciprocity with any other state licensing board. Therefore, any LCSW, LMFT, LPCC, or Psychologist who is providing HHSA approved services to a Client who is receiving services outside California must have a current, clear license issued and regulated by the appropriate certifying agency for the state in which they are practicing.
 - b. Counselors who are Certified, Registered, or Licensed in other states must comply with California Code of Regulations Title 9, Chapter 8, Section 13030 regarding reciprocity.
 - c. Contractor shall notify County within five (5) business days of any pending Federal, State, County, City, or licensing or governing agency investigations or investigation findings, disciplinary actions, or administrative actions found against Contractor or Contractor's employees' professional license(s). This includes but is not limited to formal accusations, citations, revocations, suspensions, stayed revocations or suspensions, probation, voluntary or mandatory surrender of license, or formal public reprimand.
 - i. Within five (5) business days of formal accusations, citations, revocations, suspensions, stayed revocations or suspensions, probation, voluntary or mandatory surrender of license, or formal public reprimand, Contractor shall provide County with copies of Court accusations and/or dispositions relating to Contractor or Contractor's employee's license.
 - ii. Contractor shall provide initial and ongoing proof of compliance with probationary stipulations.
 2. Interns: Effective January 1, 2018, in accordance with Business and Professions Code, Section 4980.09, "interns" shall be called "associates." No intern or associate shall be the sole author of any written initial visit report or any other report that pertains to Client or Client's treatment plan. All Client-related documents must be reviewed, approved, and signed by said licensed Psychologist, Psychiatrist, LCSW, LPCC, or LMFT.
- B. Services: Contractor shall provide Client services including, but not limited to the following:
1. ESC Services: Upon request by County, Contractor shall provide ESC for short-term, temporary placement ensuring that the physical and emotional safety of the individual

child/youth (Client) is addressed to provide trauma-informed care. Contractor will provide ESC services to children/youth ages 6-17 years old, non-minor dependents of the court, as appropriate, and pregnant and parenting teens and their children (children ages 0-5 are only served if they are being cared for by their minor parent who is also being cared for at the shelter). Contractor shall furnish Clients with room and board, care and supervision, clothing, personal incidentals, recreation, transportation, education, social services, nurturing, care, therapeutic counseling services, medical and/or psychological treatment, supervised visitations, trainings, etc., in order to comply with court ordered services, or as determined by Client's Social Worker to be suited to meet Client's needs. When requested, Contractor shall provide 1:1 ratio of staffing to Client, during identified periods of time to support the Client's specific needs in an effort to maintain the Client in placement.

HHSA has established the following priorities for the children/youth Clients in its care: (1) Safety, (2) Permanency, and (3) Access to effective and caring services for well-being. The ESC program is a time-limited placement; therefore, the Permanency factor is not measured.

Services shall only be provided following verbal or email authorization from HHSA staff to Contractor. Any verbal or email authorization to perform services under this Agreement will be confirmed to Contractor by signed HHSA Authorization in conformance with subsection G titled "Authorization for Services." Multiple units of service (Multiple Units) shall be defined as one (1) or more units of same or similar service(s) provided to Client(s) on a single day.

C. Responsibility of County:

1. County will share, in accordance with applicable State and Federal law, all pertinent information about Client(s), including relevant social, medical, and educational history, behavior problems, court involvement, parental, sibling and family member(s) or relative visitation plans, and other specific characteristics of Client(s) with Contractor before placement, and shall share additional information when obtained.
2. When initially placing a Client (child) into foster care or kinship care, and within forty-eight (48) hours of any subsequent placement of that child, the County shall provide the following to the child's caretaker:
 - a. Prescribed medications for the child that are in the possession of the County with instructions for the use of the medication;
 - b. Information regarding any treatments that are known to the County and that are in effect for the child at the time of the placement;
 - c. Known available existing issues relevant to the child that may jeopardize the health and safety of the foster child or foster family or alter the manner in which foster care should be administered;
 - d. Behavioral issues which may affect the care and supervision of the child;
 - e. Known or suspected dangerous behaviors;
 - f. History of physical, medical, emotional, or sexual abuse;
 - g. Special medical and/or behavioral needs of the child and identification of all current medications that have been prescribed for the child;
 - h. Past and current infections and diseases relative to the placement;
 - i. Educational and past existing medical records (e.g. immunizations); and
 - j. Expectations regarding the care of Client, such as meeting medical needs and special needs including but not limited to psychological needs, separation/loss issues, etc.
3. Provide Medi-Cal cards or proof of other medical coverage for Client(s) at the time of

placement or as soon thereafter as possible.

4. Provide necessary placement paperwork at the time of placement to include, but not be limited to the consent for medical treatment, personal rights, and the agency-group home agreement.
5. Work with Contractor toward development of a treatment plan for Client(s).
6. Provide assistance with emergencies as they pertain to Client(s).
7. Assist in the maintenance of Client's constructive relationships with parents and other family member(s), or family member(s), or relatives and involve parents in future planning for Client.
8. Work with Contractor toward termination of Client's placement with Contractor. HHSA's preference is to limit the length of stay of an ESC Child's placement in Contractor's group home to less than seven (7) days; however, due to court proceedings and other factors, HHSA may extend the length of stay of an ESC Child beyond the 7-day placement with authorization.

D. Responsibility of Contractor:

1. Within 24 hours of youth Client(s) placement, Contractor shall complete a safety plan with each youth Client. Said plan is part of a Trauma Informed Care (TIC) approach that recognizes youth respond to placement and changes in their environment and care providers in unique ways. Identifying triggers for the youth, at the start, increase the youth's ability to tolerate the change and decreases potential for stress reactions. In addition, this allows care providers to tailor interactions specifically for each youth.
2. Contractor shall have and maintain during the term of this Contract, a valid group home license issued by the California Department of Social Services (CDSS), Community Care Licensing Division (CCLD) or a Resource Family Approval (RFA) issued by the County, and shall conform to all applicable regulations, foster care standards, and the Written Directives as established by CDSS, and CCLD.
3. Contractor shall be in good standing with CDSS, CCLD and HHSA and shall not be on "Do Not Refer," "Do Not Use," or "Investigative Hold".
4. Contractor's program shall serve children ages 6-17 years old, NMDs of the court, as appropriate, and pregnant and parenting teens and their children (children ages 0-5 are only served if they are being cared for by their minor parent who is also being cared for at the shelter).
5. Contractor shall: (1) welcome and accept ESC Children referred by HHSA 24 hours a day, seven (7) days a week, including weekends and holidays; and (2) provide ESC Children a temporary home with a bed, meals, and general care for their protection and comfort.
6. For stays longer than seven (7) days, Contractor must obtain verbal HHSA Program Manager or higher authorization/approval followed by written approval prior to payment.
7. Contractor shall work toward termination of placement, on a planned basis, with maximum involvement of Contractor's staff, Client, parents, and County.
8. Contractor shall never use corporal punishment, deprivation of meals, deprivation of monetary allowance, threat of cancellation of visits from parents, threat of cancellation of home visits, threat of removal, or any type of degrading or humiliating punishment as a means of discipline. Any form of discipline that violates Client's personal or civil rights shall also be strictly prohibited. Any such forms of discipline shall not be tolerated. In all instances and without exception, the use of constructive, alternative methods to destructive discipline shall be used.
9. Contractor shall participate in all multidisciplinary team (MDT) meetings or Child and

Family Team (CFT) meetings as requested by Client's HHSA Social Worker(s) or participating County Probation Department Deputy Probation Officer(s) caseworker (collectively hereinafter referred to as "Caseworker" or "Client Caseworker"). The definition of MDT and CFT meetings as it applies to this Agreement excludes any community-based teams or organizations in which County considers Contractor, Contractor's staff, or assignees to be regular standing members. CFT services shall be in accordance with California WIC 16501(a)(4). Attendance shall be in-person or by virtual meeting and attendance of meetings shall not be billed separately from the ESC fee.

10. Contractor shall immediately notify ESC Client Caseworker or Caseworker's Supervisor by telephone of any significant changes in Client's health, behavior, or location, and provide a follow-up written incident report within 24 hours. For after-hour notification, contact on-duty Caseworker.
 11. Contractor shall adhere to providing services, in compliance with the "Foster Youth Bill of Rights." These rights are laws which are outlined within California WIC 16001.9. Any restrictions on the rights of each individual child/youth Client must be approved by County Program Manager on a case-by-case basis.
 12. Contractor shall arrange for the collection and storage of Client's personal belongings at termination of placement. When Client is discharged, Contractor shall ensure that Client's clothing and personal belongings accompany Client to the next placement. If Client runs away, following the Contractor's immediate notification to the Client's Caseworker of said runaway situation, Contractor shall gather Client's personal belongings and alert Client Caseworker that such belongings are at Contractor's facility. If County does not immediately collect the belongings, Contractor shall store them at no charge to County for up to fourteen (14) days from the date of notification to County of Contractor's possession of Client's personal belongings. After 14 days, Contractor shall contact and inform County that the belongings shall be mailed to County at County's expense unless an alternate plan is mutually agreed upon.
- E. Communications from Contractor to HHSA: Contractor shall contact HHSA Social Worker, at no charge to County, to inform them of Client appointment no-shows, cancellations, or any other urgent concerns directly affecting Client or Client's treatment plan.
- F. Reports: Contractor shall provide written reports, including but not limited to the following:
1. Safety Plan: Upon request by County, at no charge to County, and within 24 hours of the child/youth's (Client's) placement in ESC, Contractor shall complete a safety plan with Client. Said plan is part of a TIC approach which allows care providers to tailor interactions specifically for each Client.
 2. ESC Report: Upon request by County, at no charge to County, and within the time limit specified by County, Contractor shall provide HHSA staff with a comprehensive written incident report regarding any significant changes in Client's health, behavior, or location.

The above written reports are a required deliverable of this Agreement and Contractor's failure to provide them to HHSA within the specified time limits described above shall be considered a breach of this Agreement. County shall not be obligated to pay for the services provided to the Client until the requested written reports have been submitted. At its sole option, County may delay payment

until such time as the reports are received; in addition, County may proceed as set forth herein Article titled "Default, Termination, and Cancellation."

It is a further requirement of this Agreement that all written reports submitted to HHSA shall contain the report writer's electronic or original signature. It is recommended, but not required, that all original signatures be made using blue ink. Electronic signatures shall have the same force and effect as manual signatures. This signature shall act as a declaration that the contents of the written report(s) are accurate.

Continued non-compliance beyond due date for submission of Corrective Action may lead to termination of this Agreement in accordance with the Article titled "Default, Termination, and Cancellation."
- E. Failure by County to notify or require Corrective Action does not constitute acceptance of the practice of waiver of the County's right to enforce.

Contractor shall not subcontract, delegate, or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

In the event Contractor receives written consent to subcontract services under this Agreement, Contractor is required to ensure subcontractor remains in compliance with the terms and conditions of this Agreement. In addition, Contractor is required to monitor subcontractor's compliance with said terms and conditions and provide written evidence of monitoring to County upon request.

ARTICLE XVI

Independent Contractor: The parties intend that an independent contractor relationship will be created by this contract. Contractor is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by the terms of this Agreement. Contractor exclusively assumes responsibility for acts of its employees, agents, affiliates, and subcontractors, if any are authorized herein, as they relate to the services or work to be performed under this Agreement during the course and scope of their employment by Contractor. Those persons will be entirely and exclusively under the direction, supervision, and control of Contractor.

County may designate the tasks to be performed and the results to be accomplished under this Agreement, provide information concerning the work or services, approve or disapprove the final work product and/or services provided, and set deadlines for the completion of the work or services, but County will not control or direct the manner, means, methods, or sequence in which Contractor performs the work or services for accomplishing the results. Contractor understands and agrees that Contractor lacks the authority to bind County or incur any obligations on behalf of County.

Contractor, including any subcontractor or employees of Contractor, shall not receive, nor be eligible for, any benefits County provides for its employees, including, but not limited to, vacation pay, paid holidays, life insurance, health insurance, social security, disability insurance, pension, or 457 plans. Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, County is subject to the provisions of Article XVI, section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment, or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products, or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the County's Board of Supervisors during the course of a given year for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XIX

Default, Termination, and Cancellation:

- A. Termination by Default: If either party becomes aware of an event of default, that party shall give written notice of said default to the party in default that shall state the following:
1. The alleged default and the applicable Agreement provision; and
 2. That the party in default has ten (10) days upon receiving the notice to cure the default (Time to Cure).

If the party in default does not cure the default within ten (10) days of the Time to Cure, then such party shall be in default and the party giving notice may terminate the Agreement by issuing a Notice of Termination. The party giving notice may extend the Time to Cure at their discretion. Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

If County terminates this Agreement, in whole or in part, for default:

1. County reserves the right to procure the goods or services, or both, similar to those terminated, from other sources and Contractor shall be liable to County for any excess costs for those

goods or services. County may deduct from any payment due, or that may thereafter become due to Consultant, the excess costs to procure from an alternate source.

2. County shall pay Contractor the sum due to Contractor under this Agreement prior to termination, unless the cost of completion to County exceeds the funds remaining in the Agreement. In which case the overage shall be deducted from any sum due Contractor under this Agreement and the balance, if any, shall be paid to Contractor upon demand.
3. County may require Contractor to transfer title and deliver to County any completed work under the Agreement.

The following will be events of default under this Agreement:

1. Failure by either party to perform in a timely and satisfactory manner any or all of its obligations under this Agreement.
 2. A representation or warranty made by Contractor in this Agreement proves to have been false or misleading in any respect.

- C. Ceasing Performance: County may terminate this Agreement immediately in the event Contractor ceases to operate as a business or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. Termination or Cancellation without Cause: County may terminate this Agreement, in whole or in part, for convenience upon thirty (30) calendar days' written Notice of Termination, in accordance with the Article titled "Notice to Parties." If such termination is effected, County will pay for satisfactory services rendered before the effective date of termination, as set forth in the Notice of Termination provided to Contractor, and for any other services that County agrees, in writing, to be necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the Agreement. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise.

A list of controlled substances can be found in Schedules I through V of Section 202 of the Controlled Substances Act (21 U.S.C. 812) and as further defined in Regulation 21 CFR 1308.11 – 1308.15.
- K. Fingerprinting: Pursuant to California Penal Code Section 11105.3(a), “Notwithstanding any other law, a human resource agency or an employer may request from the Department of Justice records of all convictions or any arrest pending adjudication involving the offenses specified in subdivision (1) of Section 15660 of the [W&IC] of a person who applies for a license, employment, or volunteer position, in which they would have supervisory or disciplinary power over a minor or any person under their care.” Therefore, Contractor

warrants that its employees, subcontractors, assignees, volunteers and any other persons who, while providing services under this Agreement, have or may have supervisory or disciplinary power over any person or minor under his or her care, have been fingerprinted in order to determine whether they have a criminal history that would compromise the safety of persons or minors with whom they have contact in the course of provision of services under this Agreement. Contractor further warrants that said employees, subcontractors, assignees, volunteers and other persons have been cleared by Contractor to perform the services described in this Agreement. All fingerprinting services shall be at Contractor's sole expense. More specifically, Contractor agrees that:

1. Each applicant for paid or volunteer employment by Contractor who shall or may have a supervisory or disciplinary power over a minor or any person under his or her care shall be fingerprinted in order to determine whether they have a criminal history, which would compromise the safety of such minor, or person(s) under his or her care. All fingerprinting shall be at Contractor's sole expense.
 2. The fingerprinting process as set forth above shall be completed and the results of the process shall be obtained before any of the Contractor's employees, subcontractors, assignees, or volunteers are assigned or permitted to work with any minor or person referred to Contractor by County. Alternatively, the Contractor may set a hire date prior to obtaining fingerprinting results contingent on the applicant certifying that: (1) his or her employment application truthfully and completely discloses whether he or she has ever been convicted of a felony or misdemeanor or been on parole or probation and (2) that the applicant understands that a background check shall be conducted and that he or she shall be immediately dismissed from employment if he or she has failed to provide information regarding convictions, has provided incomplete information regarding convictions, has omitted information regarding convictions or if the fingerprinting results reveal any conviction incompatible with employment with Contractor.
 3. Contractor shall maintain, and make immediately available to County upon request, a written fingerprint certification for each employee, volunteer, or applicant for paid or volunteer employment for whom fingerprinting is required as detailed above. That certification shall state the following: (1) that the individual has been fingerprinted, (2) the date of said fingerprinting, and (3) whether the process has disclosed any criminal history of the individual that may compromise the safety of minors or other persons with whom that individual has contact. Fingerprint information received from Department of Justice (DOJ) by Contractor shall be retained or disposed of pursuant to current DOJ directives.
- L. Litigation: County, promptly after receiving notice thereof, shall notify the Contractor in writing of the commencement of any claim, suit, or action against the County or State of California or its officers or employees for which the Contractor must provide indemnification under this Agreement. The failure of the County to give such notice, information, authorization, or assistance shall not relieve the Contractor of its indemnification obligations.

Contractor, promptly after receiving notice thereof, shall immediately notify the County in writing of any claim or action against it which affects, or may affect, this Agreement, the terms and conditions hereunder, or the County or State of California, and shall take such action with respect to said claim or action which is consistent with the terms of this Agreement and the interest of the County and State.

M. Release of Information: Contractor shall ensure that the County of El Dorado Health and Human Services Agency is included as a receiving party on all Release of Information forms used in the performance of services under this Agreement.

N. Transfer of Records: In the event that Contractor ceases operation, all physical and electronic files that are subject to audit shall be transferred to the County for proper storage of physical records and electronic data. Contractor shall notify County of impending closure as soon as such closure has been determined and provide County with a complete list of records in its possession pertaining to County Clients and operational costs under this Agreement. County shall promptly advise Contractor which records are to be transferred to the custody of County. Contractor shall properly destroy records not transferred to custody of County, and Contractor shall provide documentation of proper destruction of all such records to County.

ARTICLE XXXVIII

Counterparts: This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement.

ARTICLE XXXIX

Entire Agreement: This document and the documents referred to herein or exhibits hereto are the entire Agreement between the parties and they incorporate or supersede all prior written or oral Agreements or understandings.

Exhibit B
HIPAA Business Associate Agreement

This Business Associate Agreement is made part of the base contract ("Underlying Agreement") to which it is attached, as of the date of commencement of the term of the Underlying Agreement (the "Effective Date").

R E C I T A L S

WHEREAS, County and Contractor (hereinafter referred to as Business Associate ("BA")) entered into the Underlying Agreement pursuant to which BA provides services to County, and in conjunction with the provision of such services, certain Protected Health Information ("PHI") and Electronic Protected Health Information ("EPHI") may be disclosed to BA for the purposes of carrying out its obligations under the Underlying Agreement;

WHEREAS, the County and BA intend to protect the privacy and provide for the security of PHI and EPHI disclosed to BA pursuant to the Agreement in compliance with the Health Insurance Portability and Accountability Act, Pub. L. No. 104-191 of 1996 ("HIPAA"), the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005 (the "HITECH" Act), and regulation promulgated thereunder by the U.S. Department of Health and Human Services (the "HIPAA Regulations") and other applicable laws as may be amended from time to time;

WHEREAS, County is a Covered Entity, as defined in the Privacy Rule and Security Rule, including but not limited to 45 CFR Section 160.103;

WHEREAS, BA, when a recipient of PHI from County, is a Business Associate as defined in the Privacy Rule, the Security Rule, and the HITECH Act, including but not limited to 42 USC Section 17938 and 45 CFR Section 160.103;

WHEREAS, "Individual" shall have the same meaning as the term "individual" in 45 CFR § 164.501 and shall include a person who qualifies as a personal representative in accordance with 45 CFR § 164.202(g);

WHEREAS, "Breach" shall have the meaning given to such term under the HITECH Act under 42 USC Section 17921; and

WHEREAS, "Unsecured PHI" shall have the meaning to such term under the HITECH Act and any guidance issued pursuant to such Act including, but not limited to 42 USC Section 17932(h).

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

- I. Definitions. Unless otherwise provided in this Business Associate Agreement, capitalized terms shall have the same meanings as set forth in the Privacy Rule, as may be amended from time to time.
- II. Scope of Use and Disclosure by BA of County Disclosed PHI
 - A. BA shall not disclose PHI except for the purposes of performing BA's obligations under the Underlying Agreement. Further, BA shall not use PHI in any manner that would constitute a violation of the minimum necessary policies and procedures of the County, Privacy Rule, Security Rule, or the HITECH Act.
 - B. Unless otherwise limited herein, in addition to any other uses and/or disclosures permitted or authorized by this Business Associate Agreement or required by law, BA may:
 1. Use the PHI in its possession for its proper management and administration and to fulfill any legal obligations.
 2. disclose the PHI in its possession to a third party for the purpose of BA's proper management and administration or to fulfill any legal responsibilities of BA, or as required by law
 3. Disclose PHI as necessary for BA's operations only if:
 - a) Prior to making a disclosure to a third party, BA will obtain written assurances from such third party including:
 - (1) To hold such PHI in confidence and use or further disclose it only for the purpose of which BA disclosed it to the third party, or as required by law; and
 - (2) The third party will immediately notify BA of any breaches of confidentiality of PHI to the extent it has obtained knowledge of such breach.
 4. Aggregate the PHI and/or aggregate the PHI with that of other data for the purpose of providing County with data analyses related to the Underlying Agreement, or any other purpose, financial or otherwise, as requested by County.
 5. Not disclose PHI disclosed to BA by County not authorized by the Underlying Agreement or this Business Associate Agreement without patient authorization or de-identification of the PHI as authorized in writing by County.
 6. De-identify any and all PHI of County received by BA under this Business Associate Agreement provided that the de-identification conforms to the requirements of the Privacy Rule, 45 CFR and does not preclude timely payment and/or claims processing and receipt.
 - C. BA agrees that it will neither use nor disclose PHI it receives from County, or from another business associate of County, except as permitted or required by this Business Associate Agreement, or as required by law, or as otherwise permitted by law.
- III. Obligations of BA. In connection with its use of PHI disclosed by County to BA, BA agrees to:
 - A. Implement appropriate administrative, technical, and physical safeguards as are necessary to prevent use or disclosure of PHI other than as permitted by the Agreement that reasonably and appropriately protects the confidentiality, integrity, and availability of the PHI in accordance with Title 45 of the Code of Federal Regulations, Part 160 and Part 164, Subparts A and C (the "HIPAA Privacy Rule" and the "HIPAA Security Rule") in effect or as may be amended, including but not limited to 45 CFR 164.308,

164.310, 164.312, and 164.504(e)(2). BA shall comply with the policies, procedures, and documentation requirements of the HIPAA Security Rule.

- B. Report to County within 24 hours of any suspected or actual breach of security, intrusion, or unauthorized use or disclosure of PHI of which BA becomes aware and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. BA shall take prompt corrective action to cure any such deficiencies and any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.
- C. Report to County in writing of any access, use, or disclosure of PHI not permitted by the Underlying Agreement and this Business Associate Agreement, and any Breach of Unsecured PHI of which it becomes aware without unreasonable delay and in no case later than five (5) days. To the extent the Breach is solely a result of BA's failure to implement reasonable and appropriate safeguards as required by law, and not due in whole or part to the acts or omissions of the County, BA may be required to reimburse the County for notifications required under 45 CFR 164.404 and CFR 164.406.
- D. BA shall not use or disclose PHI for fundraising or marketing purposes. BA shall not disclose PHI to a health plan for payment or health care operations purposes if the patient has requested this special restriction, and has paid out of pocket in full for the health care item or service to which the PHI solely relates. BA shall not directly or indirectly receive remuneration in exchange of PHI, except with the prior written consent of the County and as permitted by the HITECH Act, 42 USC Section 17935(d)(2); however, this prohibition shall not affect payment by County to BA for services provided pursuant to the Agreement.

IV. PHI Access, Amendment, and Disclosure Accounting. BA agrees to:

- A. Provide access, at the request of County, within five (5) days, to PHI in a Designated Record Set, to the County, or to an Individual as directed by the County. If BA maintains an Electronic Health Record, BA shall provide such information in electronic format to enable County to fulfill its obligations under the HITECH Act, including, but not limited to, 42 USC Section 17935(e).
- B. Within ten (10) days of receipt of a request from County, incorporate any amendments or corrections to the PHI in accordance with the Privacy Rule in the event that the PHI in BA's possession constitutes a Designated Record Set.
- C. To assist the County in meeting its disclosure accounting under HIPAA:
 - 1. BA agrees to implement a process that allows for an accounting to be collected and maintained by BA and its agents or subcontractors for at least six (6) years prior to the request. However, accounting of disclosure from Electronic Health Record for treatment, payment, or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that BA maintains an electronic health record and is subject to this requirement. At the minimum, the information collected shall include: (i) the date of disclosure; (ii) the name of the entity or person who received PHI and, if known, the address of the entity or person; (iii) a brief description of PHI disclosed and; (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual's authorization, or a copy of the written request for disclosure.

2. Within in 30 days of notice by the County, BA agrees to provide to County information collected in accordance with this section to permit the County to respond to a request by an Individual for an accounting of disclosures of PHI.
- D. Make available to the County, or to the Secretary of Health and Human Services (the "Secretary"), BA's internal practices, books and records relating to the use of and disclosure of PHI for purposes of determining BA's compliance with the Privacy Rule, subject to any applicable legal restrictions. BA shall provide County a copy of any PHI that BA provides to the Secretary concurrently with providing such information to the Secretary.
- V. Obligations of County.
 - A. County agrees that it will promptly notify BA in writing of any restrictions on the use and disclosure of PHI agreed to by County that may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
 - B. County agrees that it will promptly notify BA in writing of any changes in, or revocation of, permission by any Individual to use or disclose PHI, if such changes or revocation may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
 - C. County agrees that it will promptly notify BA in writing of any known limitation(s) in its notice of privacy practices to the extent that such limitation may affect BA's use of disclosure of PHI.
 - D. County shall not request BA to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by County, except as may be expressly permitted by the Privacy Rule.
 - E. County will obtain any authorizations necessary for the use or disclosure of PHI, so that BA can perform its obligations under this Business Associate Agreement and/or the Underlying Agreement.
- VI. Term and Termination.
 - A. Term. This Business Associate Agreement shall commence upon the Effective Date and terminate upon the termination of the Underlying Agreement, as provided therein when all PHI provided by the County to BA, or created or received by BA on behalf of the County, is destroyed or returned to the County, or, or if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this Section.
 - B. Termination for Cause. Upon the County's knowledge of a material breach by the BA, the County shall either:
 1. Provide an opportunity for the BA to cure the breach or end the violation and terminate this Agreement if the BA does not cure the breach or end the violation within the time specified by the County.
 2. Immediately terminate this Agreement if the BA has breached a material term of this Agreement and cure is not possible; or
 3. If neither termination nor cures are feasible, the County shall report the violation to the Secretary.
 - C. Effect of Termination.
 1. Except as provided in paragraph (2) of this section, upon termination of this Agreement, for any reason, the BA shall, at the option of County, return or destroy

all PHI that BA or its agents or subcontractors still maintain in any form, and shall retain no copies of such PHI.

2. In the event that the County determines that returning or destroying the PHI is infeasible, BA shall provide to the County notification of the conditions that make return or destruction infeasible, and BA shall extend the protections of this Agreement to such PHI to those purposes that make the return or destruction infeasible, for so long as the BA maintains such PHI. If County elects destruction of the PHI, BA shall certify in writing to County that such PHI has been destroyed.

VII. Indemnity

- A. BA shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (collectively "County") from any liability whatsoever, based or asserted upon any services of BA, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to BA's performance under this Business Associate Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties or any other costs and resulting from any reason whatsoever to the extent arising from the performance of BA, its officers, agents, employees, subcontractors, agents or representatives under this Business Associate Agreement. BA shall defend, at its sole expense, all costs and fees including but not limited to attorney fees, cost of investigation, defense and settlements or awards against the County in any claim or action based upon such alleged acts or omissions.
- B. With respect to any action or claim subject to indemnification herein by BA, BA shall, at its sole cost, have the right to use counsel of its choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes BA's indemnification of County as set forth herein. BA's obligation to defend, indemnify and hold harmless County shall be subject to County having given BA written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at BA's expense, for the defense or settlement thereof. BA's obligation hereunder shall be satisfied when BA has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Business Associate Agreement shall in no way limit or circumscribe BA's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Business Associate Agreement.
- D. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code Section 2782. Such interpretation shall not relieve the BA from indemnifying the County to the fullest extent allowed by law.
- E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Business

Associate Agreement, this indemnification shall only apply to the subject issues included within this Business Associate Agreement.

- VIII. Amendment. The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
- IX. Survival. The respective rights and obligations of this Business Associate Agreement shall survive the termination or expiration of this Business Associate Agreement.
- X. Regulatory References. A reference in this Business Associate Agreement to a section in the Privacy Rule means the section as in effect or as amended.
- XI. Conflicts. Any ambiguity in this Business Associate Agreement and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.

California Levine Act Statement

California Government Code section 84308, commonly referred to as the "Levine Act," prohibits any officer of El Dorado County from participating in any action related to a contract if he or she accepts, solicits, or directs any political contributions totaling more than five hundred dollars (\$500) within the previous twelve (12) months, and for twelve (12) months following the date a final decision concerning the contract has been made, from the person or company awarded the contract. The Levine Act also requires disclosure of such contribution by a party to be awarded a specific contract. An officer of El Dorado County includes the Board of Supervisors, any elected official, and the chief administrative officer (collectively "Officer"). It is the Contractor's responsibility to confirm the appropriate "Officer" and name the individual(s) in their disclosure.

Have you or your company, or any agent on behalf of you or your company, made any political contribution(s), or been solicited to make a contribution by an Officer or had an Officer direct you to make a contribution of more than \$500 to an Officer of the County of El Dorado in the twelve months preceding the date of the submission of your proposals or the anticipated date of any Officer action related to this contract?

☐ YES ☒ NO
If yes, please identify the person(s) by name: N/A
If no, please type N/A.

Do you or your company, or any agency on behalf of you or your company, anticipate or plan to make any political contribution(s) of more than \$500 to an Officer of the County of El Dorado in the twelve months following any Officer action related to this contract?

☐ YES ☒ NO

New Morning is the only vendor in our area that provides emergency shelter care, and the procurement is for services where the continuity of the provider will provide efficiency and critical knowledge that other providers cannot provide.

P&C Assignment:

Date:

A. The good/service requested is restricted to one supplier for the reason stated below:

1. Why is the acquisition restricted to this goods/services supplier? (Explain why the acquisition cannot be competitively sourced. Explain how the supplier is the only source for the acquisition.)

Services provided by New Morning Youth & Family Services include their 24-hour emergency youth shelter known as the Ashby House Youth Shelter. This is the only 24-hour emergency youth shelter in El Dorado County for homeless and runaway youth that also provides trauma informed care and is licensed by the State of California as a Group Home. This means that New Morning is the only provider in El Dorado County that can offer 24-hour emergency youth shelter.

2. Provide the background of events leading to this acquisition.

The current New Morning Youth & Family Services contract #6372 for emergency shelter care services is due for renewal effective 06/25/2025. The renewal request for this Agreement has a maximum obligation amount which exceeds \$100,000 and will require Board of Supervisor approval.

3. Describe the uniqueness of the acquisition. (Why was the goods/services supplier chosen?)

Services provided by New Morning Youth & Family Services include their 24-hour emergency youth shelter known as the Ashby House Youth Shelter. This is the only 24-hour emergency youth shelter in El Dorado County for homeless and runaway youth that also provides trauma informed care and is licensed by the State of California as a Group Home. This means that New Morning is the only provider in El Dorado County that can offer 24-hour emergency youth shelter.

4. What are the consequences of not purchasing the goods/services or contracting with the proposed supplier?

If we are unable to continue contracting with New Morning Youth & Family Services, children/youth will not have access to 24-hour emergency shelter services. This means that homeless and runaway youth, including foster youth, will not have access to safe shelter, food, care, education, advocacy, and healing that New Morning provides. If children/youth are unable to obtain these services, these children/youth are at a much higher risk to experience further trauma.

5. What market research was conducted to substantiate no competition, including the evaluation of other items or service providers? (Provide a narrative of your efforts to identify other similar or appropriate goods/services, including a summary of how the department concluded that such alternatives are either inappropriate or unavailable. The name and addresses of suppliers contacted and the reasons for not considering them must be included OR an explanation of why the survey or effort to identify other goods/services was not performed.)

When researching 24-hour emergency shelter services for children/youth in El Dorado County that are licensed as a Group Home by the State of California, New Morning Youth & Family Services is the only provider that meets that criteria. Therefore, there was no further effort to identify other providers that can provide this service.

B. Price Analysis:

1. How was the price offered determined to be fair and reasonable? (Explain what basis was used for comparison and include cost analysis as applicable.)

New Morning Youth & Family Services is the only 24-hour emergency youth shelter provider in El Dorado County for homeless and runaway youth that also provides trauma informed care and is licensed by the State of California as a Group Home. When comparing the cost of a stay at a hotel in Placerville, for example Best Western Plus Placerville Inn, the cost per night at the hotel is approximately \$146/night plus taxes, etc. This amount is less than what New Morning charges for emergency shelter care. However, New Morning provides many more services than a hotel including: trauma informed care, an on-site education case manager, family reunification services, advocacy, therapy, coordination of medical/dental/mental health services, life skills, substance use treatment and support groups, and off-site recreation activities. Given all of the specialized services that New Morning provides, the cost of \$320.00 per day and per client appears fair and reasonable.

2. Describe any cost savings or avoidance realized (one-time or ongoing) by acquiring the goods/services from this supplier.
