January 9, 2018

To: Members, Honorable Board of Supervisors

During the Information Technologies presentation on January 9, 2018, I will be using Prezi, a web based presentation application to highlight what we have done in fy17/18 and what our goals will be in fy18/19. The main topics of discussions for fy18/19 will be disaster recovery, cloud utilization, and SharePoint development.

Respectfully

David Russell
Director
County of El Dorado
Information Technologies
