Discharge of Accountability Confirmation

I, Rafael Martinez, Director Of Transportation, agree that the attached list of accounts from Revenue Recovery are debts that should be discharged as they are no longer collectable, as their statute of limitation has expired, the debtor is in bankruptcy, the debtor is deceased, the debtor is no longer locatable, or the amount owing is too small to justify the cost of further collection. I understand the recommendation is that our office be discharged from accountability, and that this does not relieve the debtor's responsibility for the debts.

I declare the foregoing is true and correct.

Please be assured that the Revenue Recovery Division will continue to make every effort allowable by law and economic feasibility to collect your accounts.

Discharge of Accountability Confirmation

I, Brian J. Richart (name), Chief Probation Officer (title)
Of Probation (department), agree that the attached list of accounts from
Revenue Recovery are debts that should be discharged as they are no longer collectable, as their
statute of limitation has expired, the debtor is in bankruptcy, the debtor is deceased, the debtor is no
longer locatable, or the amount owing is too small to justify the cost of further collection. I understand
the recommendation is that our office be discharged from accountability, and that this does not relieve
the debtor's responsibility for the debts.

Discharge of Accountability Confirmation

I, Teri M. Monterosso (name), Chief Public Defender (title)
Of Public Defender (department), agree that the attached list of accounts from
Revenue Recovery are debts that should be discharged as they are no longer collectable, as their
statute of limitation has expired, the debtor is in bankruptcy, the debtor is deceased, the debtor is no
longer locatable, or the amount owing is too small to justify the cost of further collection. I understand
the recommendation is that our office be discharged from accountability, and that this does not relieve
the debtor's responsibility for the debts.
