Notes:

The discount percentage is based on the term of the agreement, number of sites, and the costs for AT&T to provide service.

At the customer premises site(s), customer may be required to provide:

- structure/conduit from the property line to the AT&T point of presence
- power, ground, and floor space for equipment at the AT&T point of presence
- provisioning of service is to the AT&T MPOE (minimum point of entry) unless otherwise noted
- Cost does not include taxes or surcharges
