To Supervisor Mikulaco, Nutting, Veerkamp, Briggs, and Santiago:

We are writing this in support of the Green Valley Nursery and Landscape.

We urge you to deny the appeal by *Amy L. Anders for Friends of Green Valley*, (File number S11-009 & PD11-0005). This appeal asks the Planning Commission to reverse their decision to allow the Green Valley Nursery & Landscape business to operate under a special use permit, which was issued subject to various provisions of compliance.

The physical conditions at the site have not changed since the Commission made their extensive review and determination. Re-arguing the rationale for use permit issuance would be a waste of the Commission's time and the taxpayer's money.

The operation of the Green Valley Nursery is an asset both to the County of El Dorado and to the local residents who frequent the business. It is well kept and maintained and the owners are committed to completing the compliance items in a timely manner.

Again, we ask you to deny Amy Ander's appeal.

Dave and Pal Palmer, 42 year residents of El Dorado County
