Subject: Marketability of the El Dorado Hills Business Park

To: Ron Mikulaco <BOSOne@edcgov.us>, Shiva Frentzen <bostwo@edcgov.us>, "Brian K. Veerkamp" <bostthree@edcgov.us>, Mike Ranalli <bosfour@edcgov.us>, Sue Novasel <bosfive@edcgov.us>

Dear Board of Supervisors,

It is my understanding that the Board of Supervisors has an agenda item under consideration, namely: "Supervisor Mikulaco recommending the Board provide direction to the Chief Administrative Office and Community Development Agency to explore enhancing the marketability of the El Dorado Hills Business Park.", which has recently been placed on the "Consent" Calendar.

To me, it would make a lot of sense for the County to move this item forward as this particular piece of property is being vastly underutilized. The EDH Business Park has the potential to be turned into a "gem" for the County by attracting companies that provide well-paying jobs. And apparently well-paying jobs is something everyone (mostly) seems to agree would be very good for our County. Evaluating potential projects/programs to encourage improvements sounds like a worthwhile endeavor.

Best Regards,

Dave Williamson

I am respectfully submitting this email to encourage the Board of Supervisors to investigate how to improve the marketability of the El Dorado Hills Business Park. This study could yield man beneficial options for economic growth for El Dorado County.

Best,

*Tom*
