Subject Board Inquiry - Agenda Item 47

Information contained within this transmittal relates to Board Agenda Item #47, Presentation by Harris & Associates, on the proposed South Lake Tahoe Joint Use Facility.

On this date I received a request from Supervisor Sweeney regarding the need for additional information on the El Dorado Center. In that request, I identified the total building square footage, of the El Dorado Center, at approximately 20,000 sf, of which approximately 3,800 sf had been occupied by Courts.

We also discussed the concept of marketing the El Dorado Center and utilizing those funds for the construction of our needs under the concept of a Joint Facility. In anticipation of our needs, over the next 5 years, I would envision a facility that could range in size from 20,000 to 25,000 sf.

George
