Subject: \$3 Million Road Grant

Director Novasel:

The Lake Valley Fire Protection District is writing this letter in support of a Federal FLAP Grant that El Dorado County may be the recipient of to improve road structure on Fallen Leaf Lake Road. Any improvement to the road structure would absolutely be a benefit to any Firefighting apparatus or Emergency Medical Services apparatus responding to a fire or medical related emergency. These improvements are critical to call response time, crew and patient safety, and to the wear and tear on apparatus.

Thank you,

A handwritten signature in black ink that reads "Tim Alameda".

Fire Chief
