Dear Supervisors Sweeney and Santiago,

During the November 3, 2010 BOS meeting, you requested I provide a history of County Cost Applieds and Administrative Costs that have been charged to the Senior Day Care Services program. The result of that request is reflected in the attached report prepared by the DHS Accounting staff.

I believe you will find the report substantiates my claim that the cost of doing business has increased over the years. For instance, you will discover Administrative Costs, alone, went from \$7,296 in FY09/10 to \$28,649 in FY10/11 – nearly a 400% increase! The new methodology for applying Administrative costs obviously does not contribute to the survival of Community Services programs.

Please accept my heartfelt appreciation for allowing me to "speak" and for your long time support of Community Services including the Senior Day Care Center.

Note: An additional impact to program costs has been the contribution for Employer Share of Retirement (PERS), which increased from maximum of 7% of employee wages in FY 02-03 to a maximum of 20% in FY 10-11, increasing SDC retirement cost by approximately \$30,000.
