Please ensure the entirety of this correspondence is entered into the public record during the 10/20/20 BOS Open Forum. This correspondence encapsulates my public comments during Open Forum today.

With regard to Brian Veerkamp's defensive remarks made after I made my public comments relevant to the below email, you know Karl Weiland, Kris Payne, and former Supervisor Jack Sweeney are current Directors of the Taxpayers Association. They have not only aided and abetted Andy Nevis, Todd White and Kris Payne in their discriminatory conduct, but they are complicit in their unlawful actions.

It is a matter of public record that Al Hamilton and Jack Sweeney have both threatened me, an evangelical senior citizen, relative to the discriminatory and hypocritical actions of the Taxpayers Association. There is nothing good or praiseworthy of their conduct, yet the BOS turn a blind eye and deaf ear to the TRUTH of the Taxpayer's political bully tactics to silence and censor those who have the **courage** to stand up and confront government corruption as expressed in Ephesians 5:11 – *"Take no part in the worthless deeds of evil and darkness; instead expose them."*

The question that I posed to the EID candidates yesterday that Andy Nevis again censored, was the same as last week's candidate forum: *"All elected officials are required to sign an oath of office to support and defend the national and state constitutions. If you are elected, will you sign a Constitutional Affidavit that essentially states that if it is PROVEN that you've violated your oaths of office, that you will IMMEDIATELY resign and/or allow the people to remove you from office WITHOUT your objection or protest?"*

Brian Veerkamp: PROOF that you, Kris Payne and others, have no intention of abiding by your Constitutional oaths of office, was entered into the public record in the form of notarized Affidavit/Declarations of Truth. A legal maxim is that an un rebutted affidavit serves as truthful evidence before any court in America. Beyond that, the Supreme Judge over all of us knows the TRUTH as well, and He knows that when you claim that you are standing on Godly principles set forth in the Constitution, you are not being **truthful**. Shame on you, Brian, for again twisting the intent of my words and abusing your position as Chairman of the BOS to defend your unlawful actions!!

John Hidahl, Lori Parlin, Don Ashton, and other county officials have witnessed and partaken in the Association's fraudulent actions. As long as the BOS has knowledge of wrong doing, and continues to condone and support the unethical, unlawful conduct of the Taxpayers Association, then you are all complicit in the government tyranny that is taking place throughout EDC. May God have mercy on your souls.
