List all County boards, commissions or committees to which you are/were appointed. Please include dates of service.	District V Economic Development Advisory Committee (VEDAC) - Currently a member of since first meeting on 9/18/2024
Summary of qualifications	Studying Economics and minoring in Political Science at Oregon State (expected graduation 6/14/2025), but aside from that and my committee position on VEDAC, for this specific committee I have an interest in local history and attractions and have done some research and edited Wikipedia articles relating to the local area.
Affiliations with professional and/or community groups	Committee Member on VEDAC Co-founder of the General Engineering Club @ Oregon State University

Why do you seek appointment?

I was recommended by Supervisor Laine to join (as I originally applied to join this committee before VEDAC but it wasn't in session during that time) and I do still have a vested interest in encouraging tourism to Pollock Pines either through promoting it's self-proclaimed "Nature's Wonderland" or preserving historical sites like Bullion Bend, really anything to get people to get off Highway 50 that isn't because they need gas or because the highway is snowed in
