Subject gun club

County Supervisors:

I am concerned about the arbitrary wordiness in the gun club rules and how they apply to a public supported club.

As a parent of Boy Scout who has used the gun club with Ken for beginner's safety and shooting I would like to comment that his dedication to volunteering with our boys and his absolute concern with safety is admirable. My teenage daughter and I took a beginning safety private lesson this summer. We started out a raw beginners and learned a lot (and had fun) but had to drive much farther.
