Dear Cindy:

I respectfully submit this application and request consideration to be appointed as a Member-at-Large to the Building Industry Advisory Committee. As a resident of El Dorado County and involved in several professional organizations I have an active interest in issues that concern development in El Dorado County. My perspective is that of a professional land development specialist whose interest is quality development for the residents of El Dorado County. I have a vested interest supporting the administration of El Dorado County to insure that quality of life in the sierra foothills, where I have chosen to raise my family, is sustained. At the same time I highly regard fellow professionals and responsible developers who work hard to assemble reasonable proposals for development in El Dorado County. As a member of the committee I believe I will be able to make some contribution that would be considered as a well balanced input into the process.

Thank you again for your consideration.

Sincerely,

Tim Newell, ASLA
