## STATE SUBVENTION AND LOCAL MATCHING REQUIREMENTS

### 1. COORDINATED SUBVENTION

#### Non-Rural

It is estimated that in FY 2014-15 the per capita rate will be **\$0.23** if the appropriate match (one to one) is provided.

#### Rural

It is estimated that in FY 2014-15 the per-capita rate will be **\$0.23** but not less than \$34,400 if the appropriate match (one to one) is provided and a fee system is in place.

#### A. Coordinated Subvention:

District Population x Estimated <b>\$0.23</b>	\$ <u>42,182</u>
or	
\$34,400 (rural districts), whichever is greater	\$ _____

B. Local Match (equal to or greater than item 1.A): \$ 1,299,992

### 2. SPECIAL SUBVENTION

For an air basin with a population of less than 98,000, the State may subvene up to \$120,000 less required matching funds. Required matching funds equal population multiplied by a rate based on available State funds. For multi-district basins, the basin subvention and match requirements are pro-rated to the individual districts based on their share of the basin population.

A. State Subvention for Air Basin:  
\$120,000 - (Basin Population x Estimated **\$0.23**) \$ \_\_\_\_\_

B. Local Match for Air Basin:  
Basin Population x Estimated **\$0.23** \$ \_\_\_\_\_

### 3. SUPPLEMENTAL SUBVENTION (Rural Districts Only)

Any available supplemental subvention funds will be distributed as follows:

A. Supplemental funds will first be used to bring all rural districts with sufficient match up to the established \$34,400 minimum level; and

B. Any and all remaining funds will be distributed to all rural districts on a per capita basis.

Supplemental subvention funds will be limited in total by the amount requested by the district on the Supplemental Funds Attachment form. Therefore, please be sure the Supplemental Funds Attachment form is a complete listing of any projects requiring funding.
