

FINDINGS

Five-Year Cell Tower Review-Special Use Permit S06-0004-R/Georgetown Divide PUD Planning Commission/December 11, 2014

Based on the review and analysis of this project by staff and affected agencies, and supported by discussion in the staff report and evidence in the record, the following findings can be made:

1.0 CEQA FINDINGS

- 1.1 Pursuant to CEQA Guidelines Section 15162, no subsequent Negative Declaration need be prepared for the project as there has been no substantial change in the project that would cause a significant effect on the environment. This is a five-year review as required by the conditions of approval for the existing telecommunications tower facility authorized under the special use permit. The review for compliance with the conditions of approval for the special use permit includes any remedial measures to be taken to ensure compliance. There are no changes in circumstances and no new information that identifies new or changes environmental affects or mitigations.
- 1.2 The documents and other materials which constitute the record of proceedings upon which this decision is based are in the custody of the Development Services Department - Planning Services at 2850 Fairlane Court, Placerville, CA, 95667.

2.0 ADMINISTRATIVE FINDINGS

- 2.1 All conditions of approval have been met and the use of the telecommunications facility is in compliance.
