PROTOCOLS FOR PUBLIC COMMENT

Public comment will be received at designated periods as called by the Board Chair.

Public comment on items scheduled for Closed Session will be received before the Board recesses to Closed Session.

Except with the consent of the Board, individuals shall be allowed to speak to an item only once.

On December 5, 2017, the Board adopted the following protocol relative to public comment periods. The Board adopted minor revisions to the protocol on August 24, 2021, incorporated herein:

The Board wants all members of the public to feel welcome to speak, especially regarding controversial items. Time for public input will be provided at every Board of Supervisors meeting. Individuals will have three minutes to address the Board. If the three minutes are exceeded the speaker's microphone will be muted. Applause or other outbursts are not allowed in the Board Chambers.

During noticed public hearings only, individuals authorized by organizations to speak to organizational positions may request additional time, up to five minutes.

Public comment on certain agenda items designated and approved by the Board may be treated differently within specific time limits per speaker or a limit on the total amount of time designated for public comment. It is the intent of the Board that quasi-judicial matters have additional flexibility depending on the nature of the issue. The Board Chair may limit public comment during Open Forum.

Individual Board members may ask clarifying questions but will not engage in substantive dialogue with persons providing input to the Board.

If a person providing input to the Board creates a disruption by refusing to follow Board guidelines, the Board Chair may take the following actions:

Step 1. Request the person adhere to Board guidelines. If the person refuses, the Board Chair may turn off the speaker's microphone.

Step 2. If the disruption continues, the Board Chair may order a recess of the Board meeting.
