DEPARTMENT OF TRANSPORTATION

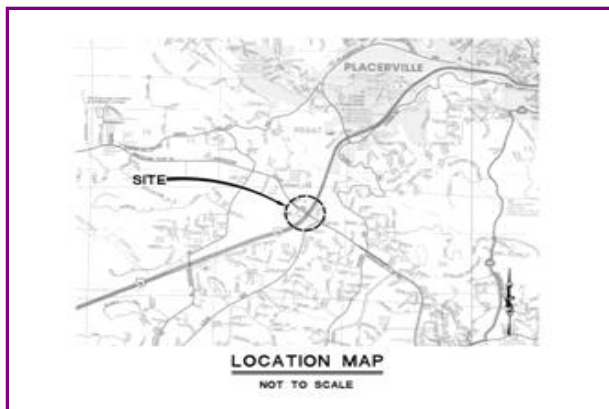

U.S. 50/Missouri Flat Road Interchange Improvements - Phase 1A

CIP Project No. 71317

Project Description: Phase 1A includes widening Missouri Flat Road from 2 to 4 lanes from Prospector Plaza to Mother Lode Drive and replacing the existing overcrossing structure at U.S. 50. Project also includes intersection improvements, channelization and signalization at Prospector's Plaza Drive, U.S.50 eastbound and westbound ramps, and Mother Lode Drive and Perks Court intersections. (For Phase 1B, see project # 71336).
