Wednesday, October 19, 2022 Behavioral Health Commission: Discussion/approval of the Mental Health Services Act (MHSA) Community Program Planning Process (CPPP) for the FY 23/24 Three Year Plan (15 minutes)

FY 23-26 Three Year Plan Community Planning Process (CPPP) Action Plan

The annual Community Program Planning Process (CPPP) is a required aspect of the MHSA. Expectations are laid out in [Title 9 of the California Code of Regulations \(CCR\) section 3300 \(Appendix A\)](#) and the Welfare and [Institutions Code section 5848 \(Appendix B\)](#).

Action Plan Overview

- ❖ On July 26, 2022 the MHSA Team held its kick off meeting to discuss the FY 23/24 CPPP process.
- ❖ In August, the MHSA Coordinator met with Behavioral Health Managers to discuss potential changes and additions to county operated Projects.
- ❖ Throughout September and October, current providers, several interested providers, and other community collaborators were offered meeting times with the MHSA Coordinator. These meetings were to develop stronger collaborative partnership, better understand the work they are doing, discuss potential changes in the Three Year Plan and clearly communicate the timeline for the rest of the process. In total twenty (22) meetings have been held.
- ❖ CPPP Community meetings have been scheduled as a training tool to help the community better understand what MHSA can do for the community, what is required of the county and the limitations of the funding based on the regulations.
- ❖ A survey was developed and distributed with the CPPP Press Release as one avenue for confirming community support for new projects concepts.

Community Meetings

- ❖ Providers were asked to host CPPP meetings throughout October to December in order to tap into their existing networks. So far seven (7) Provider hosted meetings have been scheduled. And several more are anticipated. Meetings may be in person, virtual or a hybrid format depending on the host provider's preference.
- ❖ Three (3) virtual public meetings hosted by the MHSA Team have been scheduled. Meetings will be webinar format with the option for the community members to access via computer or dial in. The meeting information was distributed via Press Release. *See Outreach Plan for a list of what entities will be sent public meeting information with a request to post and disseminate through their communication avenues.
 - Friday, October 21 at 9:00 am
 - Tuesday, November 8 at 12:30 pm
 - Monday, December 12 at 4:30 pm
 - Supplemental meetings will be scheduled if a need is identified.
- ❖ Topics Presented by Behavioral Health Staff
 - MHSA history and regulations
 - MHSA components (PEI, CSS, INN, WET, CFTN)
 - Newly proposed project concepts
 - Budget considerations
 - Innovation concepts

- There will also be opportunity for questions and answers for items relevant to MHSA and the Three Year Plan development.

Survey

- ❖ Distributed via Press Release. See [Appendix C](#)
- ❖ Seven (7) demographic questions have been developed to better capture the populations that we've been able to reach and analyze if additional outreach is necessary to obtain feedback from alternative community groups.
- ❖ Seven (5) questions are intended to gauge current community perspectives on Behavioral health needs.
- ❖ Two (2) questions were developed to confirm community support of new project concepts.

Outreach Plan

A Press Release has been release and has been, or will be, distributed to the following resources as well as any other interested parties identified throughout the process.

Press Release

- ❖ We have worked with Maggie Williams with the Health and Human Services Agency (HHS) Communication Services to develop a Press Release ([Appendix D](#)) to announce the CPPP and public meetings. The Press Release has been distributed to local news outlets, email distribution lists, posted on <https://www.edcgov.us/County%20Press%20Releases>, and other avenues listed below.

Email Distribution Lists

Behavioral Health maintains lists of churches, schools and other interested community members that have been used to communicate the upcoming CPPP meetings and availability of the CPPP survey. Additional points of contacts in these areas have been explored and are listed below.

Social Media

We will communicate with the following groups with existing social media presence in an attempt to have our notice of meetings posted through their resources.

Appendix A

9 CCR § 3300

§ 3300. Community Program Planning Process.

(a) The County shall provide for a Community Program Planning Process as the basis for developing the Three-Year Program and Expenditure Plans and updates.

(b) To ensure that the Community Program Planning Process is adequately staffed, the County shall designate positions and/or units responsible for:

(1) The overall Community Program Planning Process.

(2) Coordination and management of the Community Program Planning Process.

(3) Ensuring that stakeholders have the opportunity to participate in the Community Program Planning Process.

(A) Stakeholder participation shall include representatives of unserved and/or underserved populations and family members of unserved/underserved populations.

(4) Ensuring that stakeholders that reflect the diversity of the demographics of the County, including but not limited to, geographic location, age, gender, and race/ethnicity have the opportunity to participate in the Community Program Planning Process.

(5) Outreach to clients with serious mental illness and/or serious emotional disturbance, and their family members, to ensure the opportunity to participate.

(c) The Community Program Planning Process shall, at a minimum, include:

(1) Involvement of clients with serious mental illness and/or serious emotional disturbance and their family members in all aspects of the Community Program Planning Process.

(2) Participation of stakeholders, as stakeholders is defined in Section 3200.270.

(3) Training.

(A) Training shall be provided as needed to County staff designated responsible for any of the functions listed in 3300(b) that will enable staff to establish and sustain a Community Program Planning Process.

(B) Training shall be offered, as needed, to those stakeholders, clients, and when appropriate the client's family, who are participating in the Community Program Planning Process.

(d) Beginning with Fiscal Year 2006-07, or in fiscal years when there are no funds dedicated for the Community Program Planning Process, the County may use up to five (5) percent of its Planning Estimate, as calculated by the Department for that fiscal year, for the Community Program Planning Process.

Appendix B

Welfare and Institutions Code section 5848

(a) Each three-year program and expenditure plan and update shall be developed with local stakeholders including adults and seniors with severe mental illness, families of children, adults and seniors with severe mental illness, providers of services, law enforcement agencies, education, social services agencies, veterans, representatives from veterans organizations, providers of alcohol and drug services, health care organizations, and other important interests. Counties shall demonstrate a partnership with constituents and stakeholders throughout the process that includes meaningful stakeholder involvement on **mental health policy, program planning, and implementation, monitoring, quality improvement, evaluation, and budget allocations**. A draft plan and update shall be prepared and circulated for review and comment for at least 30 days to representatives of stakeholder interests and any interested party who has requested a copy of the draft plans.

FY 23/24 CPPP Survey

MHSA Community Program Planning Process (CPPP) Survey - Fiscal Year 2023/24

Thank you for taking our survey. Your feedback is important!

California voters passed Proposition 63, the Mental Health Services Act (MHSA), in November 2004 and the MHSA was enacted into law January 1, 2005. The MHSA places a one percent (1%) sales tax on personal incomes in excess of \$1,000,000. The funds are distributed to counties throughout the State.

El Dorado County's Behavioral Health Division needs your feedback about mental health services to develop the Fiscal Year 2023/24 to 25/26 MHSA Three Year Program and Expenditure Plan.

You may also email a completed survey to MHSA@edcgov.us or you may mail a completed survey to:

California voters passed MHSA (Proposition 63) in November 2004; the law was enacted on January 1, 2005. MHSA places a 1% tax on personal incomes over \$1,000,000. Counties receive funds through the State, intending to transform the public mental health system into one that is consumer-friendly, recovery-oriented, accessible and culturally competent. For copies of the current and prior year MHSA Plans, please visit: https://www.edcgov.us/government/mentalhealth/mhsa/pages/mhsa_plans.aspx.

To provide input on the MHSA Three-Year Plan for FY 2023-2026 via an online survey, go to:
<https://forms.office.com/q/615R8cH6Ku>.

Additional input can be submitted via email to MHSA@edcgov.us or via U.S. Mail to 768 Pleasant Valley Road, Suite 201, Diamond Springs, CA 95619. For more information regarding the MHSA or Community Program Planning Process, please contact Meredith Zanardi at (530) 621-6340.
