THIS AGREEMENT made and entered into by and between the County of El Dorado, a political subdivision of the State of California (hereinafter referred to as "County") and the City of Placerville, a municipal corporation (herein after referred to as "City").

Recitals

WHEREAS, County applied for FY 2015 Homeland Security Grant programs ("Grant");
and

WHEREAS, County was awarded grant funds in the amount of \$260,773, for the FY 2015 grant, which was included in the County Sheriff's Department Fiscal Year 2015 - 2016 budget, and will be included in the FY 2016 – 2017 and FY 2017 – 2018 budgets as well; and

WHEREAS, Grant provides funding for planning, equipment, training, exercises and management/administrative costs; and

WHEREAS, County, as the Operational Area lead agency, will receive the grant funds, purchase and loan equipment to other participating agencies, or reimburse agencies who purchase grant approved equipment; and

WHEREAS, as required by the Homeland Security Grant, on June 23, 2015, the County Board of Supervisors reaffirmed the creation of an Approval Authority, representing the City of Placerville, City of South Lake Tahoe, Sheriff, Public Health, and Fire Districts, to distribute the Grant funds at the local level; and

WHEREAS, City is a local participating agency in the FY 2015 Homeland Security Grant program; and

WHEREAS, the Approval Authority has agreed to disburse an amount not to exceed \$7,000.00 in grant funds to the City, for City to purchase: two years of License Plate Reader maintenance (hereinafter referred to as the "Maintenance");

NOW, THEREFORE, County and City mutually agree as follows:

ARTICLE I

Payment of Funds: County will reimburse City in an amount not to exceed \$7,000.00 solely for the purchase of Maintenance within thirty (30) days after City presents an invoice, as well as documentation verifying that the City complied with grant purchasing guidelines to County. In no event shall County's obligation under this Agreement exceed \$7,000.00.

ARTICLE II

Use of Funds: City will use the funds to be reimbursed by County solely for the purchase of the Maintenance. City shall purchase the Maintenance directly from the supplier. City will purchase the Maintenance by March 31, 2018, and present the County with an invoice for payment. In the event City does not purchase the Maintenance by March 31, 2018 and invoice the County by April 30, 2018 or in the event City does not adhere to grant purchasing guidelines, County's obligation for payment shall be null and void, and upon written demand by County, City shall return any funds it has received from County and not spent on the Maintenance to County within thirty (30) days of mailing of written demand of County.

City shall submit to County its statement of the total sum of an amount not to exceed \$7,000.00, identical to Attachment A, noting that the Maintenance has been purchased. Such statement shall be signed under penalty of perjury by an authorized signatory of the City.

ARTICLE III

Term: This Agreement shall become effective when fully executed by both parties ("Effective Date") and shall expire when grant performance period expires, currently scheduled for May 31, 2018.

ARTICLE IV

Audit and Access to Records: The County shall have the right of access to any books, documents, papers, or other records which are pertinent to the Grant, in order to make audits, examinations, excerpts and transcripts. City will keep and maintain an accurate financial account, in accordance with generally accepted accounting principles, of all funds expended by the City with respect to the Maintenance until notification is provided by the county that the State Homeland Security Grant Program has closed the grant and completed all audits and reviews. Such accounting records shall be available for inspection by the County's designee, during normal business hours at the offices of the City, or the offices of its financial consultant.

ARTICLE V

Compliance with Applicable Law and Grant Requirements: City has read and understands the Grant and will comply with and require any vendor of the Maintenance to comply with all laws, regulations and guidance documents that apply to the Grant. City is responsible for ensuring that all purchases for goods and services must comply with grant purchasing guidelines. Specifically, City shall comply with 2 Code of Federal Regulations (CFR) Part200, E.O. 12372, and any current Administrative Requirements, Cost Principles, and Audit Requirements.

City agrees to maintain accountability of all items, mark or tag all individual items or sets costing over \$5,000 for inventory and control purposes, maintain or repair any items and ensure all CFR required record keeping. ID tag numbers, location of storage, and physical condition will be reported by City to the County at the time of purchase and at least once per year thereafter.

Items lost or destroyed within the Grant Performance Period must be replaced solely by the City at its own expense. City is responsible for ensuring that all items, regardless of cost, procured under this or any federal grant programs will be maintained and controlled for the useful life of the items, and any sale, disposal or planned destruction of said items will be done only upon receipt of written approval from the U.S. Department of Homeland Security or its delegated representative.

As federally funded equipment, the City agrees that equipment must be made available for mutual aid, as requested.

In the event an audit by the County or the State of California (Cal OES) determines the City failed to comply with these guidelines, the County shall provide written notification of the violation and the City may be required to reimburse the County for the total cost of the affected items.

ARTICLE VI
