Ms. Myrna Hanses

In Warabi, the autumn deepened and the autumn tint on the streets became beautiful.

Thank you for visiting Warabi city for the 50th anniversary ceremony.

I was convinced of the construction of deep bonds and trust from the history of our exchange.

Hereafter, I want to put our efforts together mutually for the world peace and development of El Dorado county and Warabi city.

I sincerely wish your health and activity.

Sincerely yours

2009 November
Mayor of Warabi City
