INTEROFFICE MEMORANDUM

Date: February 15, 2022

To: County Counsel

From: Tyler Prince

Subject: Kronos Incorporated, Which Will do Business in California as Kronos Data Systems Incorporated – Agreement for Workforce Management and Telestaff Software, #6367

The above referenced Agreement is attached for your review and approval. The Agreement provides workforce management and telestaff software for the Information Technologies department. On March 5, 2019, Cobb County, Georgia awarded and executed Master Agreement #18220 with Contractor as the result of competitive Request for Proposals #18-6390, which allows participating OMNIA Partners members to execute contracts with Contractor. County as a participating member of OMNIA Partners, will piggyback and utilize Cobb County's Master Agreement #18220 (which is also attached for reference).

In preparation of this Agreement, we used the previously approved Professional Services Basic Master agreement.

Kronos Incorporated is currently listed in Ebix with account number 2519. The current status is "This Insured has Deficiencies." Updated certificates of insurance have been requested and will be submitted to Risk Management for review once we have received them.

If you have any questions or require anything further, please call me at extension 6438.

Thank you for your assistance.
