PHYSICAL DEMANDS

Must possess mobility to work in a standard office setting and use standard office equipment, including a computer; to operate a motor vehicle in order to respond to service calls; vision to read printed materials, vision to maintain firearms qualifications, and a computer screen; and hearing and speech to communicate in person, before groups, and over the telephone. This is primarily a field classification with frequent standing, walking and running, sometimes on uneven terrain. Wrist flexion and lateral rotation are a typically accepted way of obtaining the required knowledge and skills, necessary in combination with grasping to handle a snare and leash to capture animals. Finger dexterity is needed to access, enter, and retrieve data using a computer keyboard or calculator and to operate standard office equipment and above-mentioned tools and equipment. Positions in this classification frequently bend, stoop, kneel, reach, push, and pull in the capture and handling of animals. Must be able to use a variety of equipment and methods to snare and effectively capture and transport small and large animals. Employees must possess the ability to lift, carry, push, and pull animals and equipment up to 50 pounds, or heavier weights with the use of proper equipment. Reasonable accommodations will be made for individuals on a case-by-case basis.

ENVIRONMENTAL CONDITIONS

Work is primarily performed outdoors in all weather conditions and varying temperatures, with occasional work performed indoors in an office or animal shelter setting; frequent exposure to fumes/dust and hazardous substances; occasional exposure to loud noise levels, hazardous airborne substances, and radiation; work above and below ground level and in confined spaces.

WORKING CONDITIONS

May be required to work irregular hours, which may include early mornings, evenings, weekends, holidays, and/or during disasters. Must be willing to work in a setting characterized by exposure to rabies, animal waste, and various cleaning and disinfecting chemicals.
