Congratulations! The Department of Resources Recycling and Recovery (CalRecycle) approved funding your project on April 19, 2022. The Grant Agreement package consists of the following.

- Grant Agreement Cover Sheet, CalRecycle 110 (sent in a separate email)
- Exhibit A – [Terms and Conditions](https://www2.calrecycle.ca.gov/Docs/Web/118686) <https://www2.calrecycle.ca.gov/Docs/Web/118686>
- Exhibit B – [Procedures and Requirements](https://www2.calrecycle.ca.gov/Docs/Web/118683) <https://www2.calrecycle.ca.gov/Docs/Web/118683>
- Exhibit C – Application (attached)

The password to access the Grant Agreement Cover Sheet is “TA6-21”.

Please review the Grant Agreement package. CalRecycle is using an alternative method of signature and will require an e-signature on the Grant Agreement Cover Sheet. You will receive a subsequent email with the Grant Agreement Cover Sheet. Instructions on how to access and digitally sign the Grant Agreement Cover Sheet are attached to this email. Please complete the grantee portion of the Grant Agreement Cover Sheet. CalRecycle will receive a notification when the e-signature is completed. CalRecycle must receive this notification by **May 9, 2022**.

Your specific award amount is located on the Grant Agreement Cover Sheet. Please review the Payment Address listed on the Grant Agreement – this is where all payments will be sent. If changes to the Payment Address are required, please contact me directly as soon as possible.

The grant award is subject to three conditions as stated in the [Request for Approval of Awards for the Local Government Waste Tire Amnesty Grant Program](#). If CalRecycle has not received notification the Grant Agreement Cover Sheet is electronically signed, or the recommended grantee does not pay or bring current all outstanding debts or scheduled payments owed by it to CalRecycle within 60 calendar days of the date of this letter, **May 9, 2022**, then the proposed grantee will not have fulfilled the required conditions, and **the award will be void**.

The third condition as stated in the Request for Approval is dependent on funding availability. If monies are not available, **the award will be void**.

The Grant Agreement Cover Sheet must be electronically signed by the authorized signatory identified in your Resolution. If the Resolution authorizes a Designee and the Signature Authority would like to designate another individual to sign on his or her behalf, the authorized signatory must provide a Letter of Designation identifying the job title of the Designee.

Note: This email is being sent to all contacts associated with this grant. It is the Primary Contact's responsibility to coordinate the completion and submittal of the Grant Agreement.

Please retain all Grant Agreement package documents, which include Exhibits A through C for your records.

Upon execution of the Grant Agreement by both parties, CalRecycle will email the Notice to Proceed with a copy of the executed Grant Agreement Cover Sheet. Please note, although the Signature Authority or Designee will receive a copy of the agreement once the final approval is completed, this does not indicate that work may be performed. **Any work performed or costs incurred prior to date of the Notice to Proceed will not be eligible for reimbursement.**

If you have any questions regarding the Grant Agreement package, please contact me at (916) 341-6384 Cathy.Aggergaard@CalRecycle.ca.gov.

I look forward to your participation in this grant program.

Sincerely,

Cathy Aggergaard
