Board of Supervisors
330 Fair Lane
Placerville, CA 95667

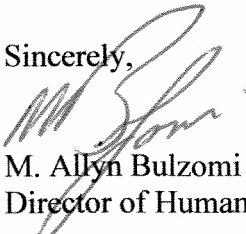

Dear Board Members,

El Dorado County Criminal Attorneys' Association bargaining unit (CA) and the County of El Dorado (County) have reached a side letter of agreement concerning the temporary suspension of the Management Leave cash out option contained in Article 10, Section 1. On or about the week of October 5, 2009 the members of the CA bargaining unit conducted a ratification vote and approved the letter of agreement.

The CA bargaining unit approached the County staff and proposed the suspension of the cash out option as means to meet the difficult budget reductions being experienced by the County. This proposal also moves the cash out option from a calendar year program to a fiscal year program which meets the interest of the County.

Recommendation

Staff recommends the Board adopt the resolution and authorizing the Chair to sign this resolution to memorialize the agreement between the parties.

Sincerely,

M. Allyn Bulzomi
Director of Human Resources
