

DEPARTMENT OF TECHNOLOGY NON-STATE ENTITY SERVICE POLICY AND AGREEMENT (NESPA)

The California Network and Telecommunications Program (CALNET) service offerings are primarily intended to meet State entity requirements. However, CALNET services may be purchased by qualified non-State entities. To use the CALNET next generation of contracts, non-State entities are required to self-certify that their organization qualifies for one of the CALNET eligibility criteria below.

Authorized Entity Criteria

Please select one of the following:

- Local government entities are defined as “any city, county, city and county, district or other governmental body empowered to expend public funds for the acquisition of goods” per Public Contract Code Chapter 2, Paragraph 10298 (a) (b). While the State makes this contract available to local governmental entities, each local governmental entity should determine whether this contract is consistent with its procurement policies and regulations.
- Entirely** 100% tax supported entity
- A governmental entity with a Joint Powers Agreement (JPA)
- Federally recognized Indian Tribe
