I agree with Supervisor Norvasel that the application for the Homekey project purchase of the Best Western in POLLOCK Pines should be discontinued .

Time to begin researching other areas and other projects to help folks get back in their feet.

Thank you

Supervisors and Clerk of the Board-

I am writing in on behalf of the Concerned Citizens of Cameron Park. As a community action group, we support Supervisor Novasel's recommendation to withdraw the Project Homekey Round 2 NOFA (grant) application for the Best Western in Pollock Pines.

Additionally, we want to request the recommendation go a step further and deny any future Project Homekey grant requests for the purchase of ANY hotels or structures specifically in or near Cameron Park.

We **STRONGLY** oppose this program being implemented in our community, now and in the future.

With respect,

Colleen Hearn, on Behalf of the Concerned Citizens of Cameron Park

I wanted to write to express my support for Supervisor Novasel's recommendation to withdraw the Project Homekey grant application for the Best Western in Pollock Pines.

While this is a fantastic step in ensuring El Dorado counties safety and improved quality of life I want to explore we all take this a step further and deny ANY future Project Homekey grant requests for the purchase of any hotels or structures specifically in my Cameron Park. I strongly oppose this program in my beloved hometown. I've lived here since 1989 and I have seen a depressing decline in our community specifically near the two motels we have.

As a local long time resident I thank you for hearing my voice as it reflects not only me and my family but many local friends, family and business owners I've known for the better part of 3 decades in the community.

Thank you again for your time and attention to this matter.

Supervisors and Clerk of the Board-

I am writing in to demonstrate my support for Supervisor Novasel's recommendation to discontinue the County's Project Homekey grant application for the purchase of the Best Western hotel in Pollock Pines.

Additionally, I strongly oppose the County pursuing any further Project Homekey grants for the purposes of buying hotels or other structures specifically in Cameron Park.

Thank you for considering my request.

Dear Supervisors and Clerk of the Board,

Please recognize my support for Supervisor Novasel's recommendation to discontinue the County's Project Homekey grant application for the purchase of the Best Western hotel in Pollock Pines. Additionally, I stand with the many citizens who are in strong opposition to any further Project Homekey grants to buy hotels or other structures--specifically in my community of Cameron Park.

Thank you for your time and attention to the voice of the community.

Re: Item 28

Supervisors and Clerk of the Board,

I am emailing to demonstrate my support for Supervisor Novasel's recommendation to discontinue the use of Project Homekey grant application for the purchase of the Best Western hotel in Pollock Pines.

Additionally, I strongly oppose the County amendment issuing any future Project Homekey grants for the purpose of buying hotels or other structures specifically in Cameron Park.

As a resident of Cameron Park, I am concerned about the negative implications this particular program could have on our small community. We simply do not have the resources to support the needs of homeless individuals at this time.

Thank for considering my request.

We only have two tiny motels, both in our central business district. Even if you purchased both, that's just a drop in the bucket for a homeless population of over 600 on the Western Slope.

I STRONGLY oppose this program in our community, now and in the future.

With respect,

Tiffany Rolston

All Supervisors,

I would like to support Sue Novasel's recommendation that EDC discontinue the Project HomeKey application to purchase the Best Western in Pollock Pines.

Mental Illness, Drug Addiction and other causes of homelessness should be addressed and our EDC Sheriff has a plan that I hope you will fund to help with this issue....

Thank you for your considerations.
