Re: Denise M. Cook Property Tax Claims for Refund

Dear Sir or Madam:

We represent Denise M. Cook formerly known as Denise M. Nutting ("Denise"). Enclosed are four timely and properly prepared property tax claims for refund. Unfortunately for the readers of this letter, the facts and law are complicated.

Although the amount at issue is small for the County, \$17,207.55, the amount is significant to Denise. Denise invested \$160,000 in a self-storage facility LLC in 2005, by 2009 had lost her investment, and in 2018 learned for the first time she owed \$17,207.55 in property taxes, interest and fees because the self-storage facility LLC did not pay its property taxes. Denise had no notice she owed any property taxes until 2018, by which time the County, due to the passage of time, was unable to produce copies of relevant documents or other relevant information including information regarding the timely enrollment of the supplemental assessments at issue.

This situation exposes at least one systemic issue regarding the Tax Collector: the failure to notify all of the debtors on a Certificate of Lien for Unsecured Property Tax when the Certificate is filed. When there are co-owners of real property, for practical reasons there is only one assessee of the property taxes. However, if those property taxes are unpaid and the taxes become the personal liability of the co-owners, all the co-owners should be notified of the debt as recommended by the County Tax Collectors' Reference Manual published by the California Controller.

Background.

In February and March 2005, in two transactions of \$50,000 and \$110,000, respectively, Denise invested \$160,000 in the El Dorado Hills Self-Storage LLC (the "LLC"). The LLC filed a bankruptcy petition on May 16, 2009 (Bankruptcy Case No. 08-26468), and the United States Bankruptcy Court, Eastern District of California, canceled Denise's interest, along with the

interests of all the members, on or about December 17, 2009. Denise lost her \$160,000 investment.

In the fall of 2018, Denise entered into a contract for the sale of real property unrelated to the LLC. In the process of closing that transaction, Denise learned of Certificates of Lien for Unsecured Property Tax ("Certificates") recorded against her as summarized on the enclosed **Exhibit A.**¹ Learning of the Certificates was the first notice to Denise that she could possibly owe any property taxes of the LLC. Denise immediately communicated with Karen Coleman, Assistant Treasurer-Tax Collector, in an effort to resolve the property tax debt. The Tax Collector told Denise the Tax Collector recorded the Certificates against her because the LLC failed to pay its property taxes. After the Tax Collector told Denise she was personally liable for the property taxes, she engaged this firm.

We immediately contacted Ms. Coleman, who referred our correspondence to County Counsel. Over a period of several months, we communicated with Deputy County Counsel Sharon Carey-Stronck, who was very cooperative and generous with her time. However, we were unable to resolve the matter by agreement, and Ms. Carey-Stronck told us the only remedy was to file claims for refund. Denise paid the property taxes out of escrow on or about March 29, 2019. See the check and the Tax Collector Payment Receipt both dated March 29, 2019, copies of which are enclosed as **Exhibit B**. Because Denise is not personally liable for the property taxes at issue, the County must allow the enclosed claims for refund.

Facts.

Based upon information provided by the Tax Collector and Ms. Carey-Stronck, we piecedtogether what happened. Because of a lack of documentary evidence from the Assessor and Tax Collector due to the passage of time, we were required to make some deductions and inferences based upon the incomplete information available. It is fair to say we do not know what happened with any certainty. It is also fair to say the County has never explained exactly what happened or offered a cogent explanation of why Denise learned for the first time in 2018 she was personally liable for the 2005-2006 property taxes of the LLC property located at 5110 Hillsdale Circle, El Dorado Hills, CA (the "Hillsdale property").

As evidenced by the PCORs and Grant Deeds enclosed as **Exhibit C**, on February 8, 2005, Denise, when her last name was Nutting, was granted a 0.3 percent interest in the Hillsdale property. Based upon the amount of Documentary Transfer Tax reflected on the Grant Deed, Denise paid \$50,000 for this interest. On March 24, 2005, Denise was granted a 1.25 percent interest in the Hillsdale property. Based upon the amount of Documentary Transfer Tax

¹ Exhibit A is a summary of information received from the County.

reflected on the Grant Deed, Denise paid \$110,000 for this interest.² Based upon the amounts paid by Denise for her interest and assuming Denise paid fair market value for her interest, the value of 100 percent of the Hillsdale property was \$10,322,580. It appears the highest assessed value of the Hillsdale property was \$6,236,961 in 2005-2006.

Denise thought she purchased a 1.55 percent interest in the El Dorado Hills Self-Storage LLC, which based upon the Bankruptcy Court documents owned two other self-storage facilities besides the Hillsdale property. The promoter, instead of issuing her a 1.55 percent membership interest in the LLC, made her the record owner of tenants-in-common interests in the Hillsdale property totaling 1.55 percent. Apparently, the promoter instead of issuing membership interests issued very small tenant-in-common interests in the Hillsdale property to each investor. Although it appears Denise received copies of the Grant Deeds naming her as grantee, she did not understand she held a tenant-in-common interest in the Hillsdale property. Instead, Denise thought she owned membership interests in the LLC.

Based upon the Owner Name History (SI0170) provided to us by Ms. Carey-Stronck, which is enclosed as **Exhibit D**, there were six deeds recorded on February 8, 2005. The first deed transferred a 0.3% interest from the LLC to Denise as detailed above. The second deed transferred a 0.42 percent interest from the LLC to Harold and Marie Olson for about \$70,000. The third deed transferred a 2.3 percent interest to Robert and Linda Ostella for about \$191,667. The fourth deed transferred a 0.45 percent interest to the Keith and Barbara Littlefield Trust for about \$75,000. The fifth deed transferred a 0.3 percent interest to the Robert and Barbara Husak Trust for about \$50,000. The sixth deed transferred a 0.82 percent interest to the Sperow M. Johnson Trust for about \$136,667. We approximated the consideration paid by the grantees based upon the amount of Documentary Transfer Tax paid by Denise for her 0.3 percent interest.

The six deeds recorded on February 8, 2005 were apparently supplementally assessed and the supplemental taxes were in the amount of \$2,187.66. This amount approximates the amount of the supplemental assessment we calculated based upon the consideration paid by the six grantees approximated in the preceding paragraph.

There was one deed recorded on April 26, 2005 from the LLC to the Littlefield Family Trust dated September 14, 1993 for a 0.89 percent interest for about \$430,000. This deed was apparently supplementally assessed and the supplemental taxes were \$830.76. We derived the \$430,000 purchase price by taking into account the supplemental taxes, the tax rate and the proration factor. The amount of \$430,000 seems awry since Denise paid \$110,000 for a 1.1 percent interest.

² The event dates for the supplemental assessments at issue are February 8, April 26 and May 24, 2005. Thus, Denise's purchase on March 24, 2005 did not result in any of the supplemental assessments at issue.

There were two deeds recorded on May 24, 2005. One deed was from the LLC to the Barrett Family Trust dated July 28, 2000 for a 0.29 percent interest for about \$410,735. The other deed was from the LLC to the William E. Stevenson Trust for a 0.59 percent interest for about \$835,635. These deeds were apparently supplementally assessed and the supplemental taxes due were \$1,133.10. We derived the total purchase price of these two interests by taking into account the supplemental taxes, the tax rate and the proration factor. These amounts seem awry based upon Denise's purchases.

On June 18, 2008, the Tax Collector filed in the LLC bankruptcy case a secured claim for \$586,442.45 naming El Dorado Hills Self-Storage LLC as the debtor. The Hillsdale property was sold at a foreclosure sale. The foreclosure deed was dated May 1, 2009 and was recorded on May 4, 2009. Since the assessed value of the real property was more than 10 times the delinquent taxes, one wonders why the property taxes at issue were not fully paid out of the proceeds of the foreclosure sale since the real property taxes had first priority. The County offered no explanation.

On July 24, 2008, a Certificate was recorded for unsecured bill number 2007-015631. The Certificate states the lien is against "EDH Self Storage a CA LLC," Denise and 32 others. The only address on the Certificate is 5110 Hillsdale Cir., Ste 200, El Dorado Hills, CA 95762, the mailing address of the LLC.

On July 26, 2011, three Certificates were recorded for unsecured bill numbers, 2010-017388, 89 and 90. The Certificate states the lien is against "EDH Self Storage a CA LLC," Denise and 32 other persons. The only address on the Certificate is 5110 Hillsdale Cir., Ste 300, El Dorado Hills, CA 95762, the mailing address of the LLC.

Legal Analysis.

Where there is an initial change in ownership, followed by a subsequent change in ownership that occurs before a supplemental bill is issued, then the initial owner shall become personally liable for the supplemental taxes attributable from the date of the initial change in ownership to the date of the subsequent change in ownership. Revenue and Taxation Code ("Code") section 75.54(c). Code § 75.54(c) provides in full,

Notwithstanding subdivision (a), in the event there is a subsequent change in ownership following an initial change in ownership or completion of new construction, that occurs before the mailing of the supplemental tax billing attributable to the initial change in ownership or completion of new construction,

then the lien for supplemental taxes is extinguished and that portion of the supplemental assessment attributable to the assessee from the date of the initial change in ownership or completion of new construction to the date of the subsequent change in ownership shall be entered on the unsecured roll or on the supplemental roll as an unsecured assessment in the name of the person who would have been the assessee if the additional change in ownership had not occurred, and thereafter that portion of the tax shall be treated and collected like other taxes on the unsecured roll. The remaining portion of the supplemental tax attributable to the initial change in ownership becomes a lien against the real property on the date of the subsequent change in ownership which lien shall also secure any increase or decrease in supplemental taxes resulting from the determination of the new base year value required to be made following the subsequent change in ownership.

"Taxes on the supplemental roll become a lien against the real property on the date of the change in ownership or completion of new construction. (§ 75.54.) Thus, these taxes accrue at the time of the events triggering reassessment. 'The subsequent assessment and levy are necessary in order to fix the amount of the tax due, but they do not result in the creation of a new obligation; they simply are administrative steps necessary to the enforcement of the right which accrued on the lien date.'" (*California Computer Products, Inc. v. County of Orange* (1980) 107 Cal.App.3d 731, 736–737, 166 Cal.Rptr. 68.)." *Shafer v. State Bd. of Equalization*, 174 Cal.App.3d 423, 428 (1985).

Ms. Carey-Stronck stated that the taxes at issue were transferred to the unsecured roll because the supplemental bills were issued after the foreclosure sale. Since the event dates for the supplemental assessments at issue were in the spring of 2005, one wonders why the supplemental bills were not issued until after the foreclosure sale over four years later in 2009? The County never offered an explanation for this delay.

The following example illustrates the purpose of Code section 75.54(c). If A purchases real property on January 10, 200x and sells the real property on December 10, 200x, and the supplemental assessment for the January 10 change in ownership was not enrolled as of December 10, 200x, it is unfair to saddle the new owner with the supplemental taxes because they were unknown and not of record. It is fair in this situation for the supplemental taxes resulting from the January 10 change in ownership to be the personal liability of A. A is the "person who would have been the assessee if the additional change in ownership [on December 10] had not occurred." Code § 75.54(c).

The same logic does not apply to Denise. Although Denise was on record title, along with 32 other investors, she was not a "true owner" of the property because she had none of the burdens and benefits of ownership of the property. The LLC had all the burdens and benefits of ownership of the real property at issue as it collected all the rent and paid some, but apparently not all, the expenses. The LLC members did not receive any of the rent or pay any of the expenses. Only the LLC should have been the assessee.

The concept of true ownership is that a person or entity may be considered to be a true owner of property for income tax or property tax purposes, despite legal title remaining in the hands of another party. *See, e.g.*, Property Tax Annotation 220.0354 (true owner of property considered to be a lessee, even though legal title remained in the name of the lessor for purposes of security). For example, Board of Equalization ("BOE") Property Tax Legal Opinion 220.0149.005 states:

While the owner of the legal title to property is presumed to be the owner of the full beneficial interest, this presumption may be rebutted by clear and convincing proof. (Evid. Code, § 662.) The courts define clear and convincing proof as evidence "so clear as to leave no substantial doubt in the mind of the trier of fact," and as evidence "sufficiently strong to command the unhesitating assent of every reasonable mind." (*Tannehill v. Finch* (1986) 188 Cal.App.3d 224, 228; *Lillian F. v. Superior Court* (1984) 160 Cal.App.3d 314, 320; *Sheehan v. Sullivan* (1899) 126 Cal. 189, 193. Property Tax Rule 462.200, subdivision (b)(2) sets forth the types of documentary proof that may constitute clear and convincing evidence is established by "an adjudication of the existence of the factor reflected in a final judicial finding, order, or judgment." Other documents that may be presented as evidence include written documents such as tax returns, canceled checks, and insurance policies. (Property Tax Rule 462.200, subd. (b)(2).)

In your case, B and S held the legal title to 34 parcels of property either as tenants-in-common or as joint tenants, creating a rebuttable presumption that B and S were the beneficial co-owners of the properties. This presumption must be overcome by clear and convincing evidence.

Although no partnership agreement between B and S exists, a written agreement is not required. Instead, Corporations Code section 16202, subdivision (a) provides that, "the association of two or more persons to carry on as coowners a business for profit forms a partnership. . . ." And no particular formalities are required. *Page v. Page* (1962) 199 Cal.App.2d 527. Although B and S commonly own property and share profits, in determining whether a partnership is

formed, common ownership of property does not, by itself, establish a partnership, even if the coowners share profits. (Corp. Code, § 16202, subd. (c)(1).) Neither does the sharing of gross returns. (Corp. Code, § 16202, subd. (c)(2).) But the sharing of profits does create a presumption that a partnership exists. (Corp. Code, § 16202, subd. (c)(3).) Clearly, in this case, B and S shared profits as evidenced by the provided Schedule K-1s. Mr. - 4 - April 19, 2007.

Further, in determining whether a partnership is formed, the intention of the parties is the ultimate test. (9 Witken, Summary of Cal. Law (10th ed. 2005) Partnership, § 25, p. 600. The parties need not designate their relationship as a partnership. The intent of the parties can be deduced from the partnership agreement as well as the surrounding circumstances. (*In re Foreman's Estate* (1969) 269 Cal.App.2d 180.) Where, as here, no partnership agreement exists, intent to form a partnership is deduced from the parties' conduct, transactions, and declarations. (*Kloke v. Pongratz* (1940) 38 Cal.App.2d 395.)

You state that the filing of partnership tax returns, the existence of partnership bank statements, correspondence from third parties addressed to the partnership, declarations by S and Mr. K, B and S's long-time accountant, as well as a \$50,000 check you claim was paid by S for partnership expenses, clearly evidence B and S's intent to have formed a partnership. In our opinion, this evidence is the type of evidence contemplated in Rule 462.200, subdivision (b)(2), and, thus, while each piece of evidence, individually, may not suffice, if the Assessor is satisfied that the evidence, taken together, provides clear and convincing evidence that B and S's intent was to form a partnership, the Assessor should find that each parcel of property for which there is evidence demonstrating that it is part of the partnership was beneficially owned by the partnership.

BOE Property Tax Legal Opinion 220.0149 contains a similar analysis and states:

Pursuant to Property Tax Rule 462.200, subdivision (b), such evidence should consist of declarations made under penalty of perjury that the Property continues to be owned 75 percent and 25 percent by WM and EL, respectively and supported with corroborating evidence such as tax returns, insurance documents, maintenance records, canceled checks, bank statements, or other documents indicating a 75 percent, 25 percent ownership ratio.

You state that the partnership tax returns as well as WM and EL's individual tax returns have already been provided to the Assessor. You have further stated the

Property has continued to be operated with the correct ownership percentages. In our view, if the tax returns and other documents are in fact consistent with a 75 percent 25 percent ownership in the Property by WM and EL, the deed may be corrected to reflect those ownership percentages.

Examination of the LLC bankruptcy file on PACER (Eastern District of California, Bankruptcy Case No. 08-26468) reveals that the LLC was the true owner of the Hillsdale property as it received all the income from the property and paid all the expenses of the property. It is significant that Denise did not understand that she held legal title to the Hillsdale property, and believed in good faith that she held LLC membership interests in an entity that owned the Hillsdale property. Based upon BOE Property Tax Legal Opinions 220.0149.005 and 220.0149 the deed presumption has been overcome and Denise was never the owner of the Hillsdale property and never should have been an assessee.

Because Denise was not a true owner of the Hillsdale property, she was not a "person who would have been the assessee if the additional change in ownership [the foreclosure sale] had not occurred." Rev. & Tax. Code § 75.54(c). Hence, Code section 75.54(c) does not apply and the taxes at issue should never have become the personal debt of Denise.

Even if Code section 75.54(c) is somehow applicable in general, by its terms it does not apply to supplemental assessment numbered 2005-611780S because the first bill for that supplemental assessment was issued on October 3, 2007 well before the foreclosure sale. A predicate for the applicability of Code section 75.54(c) is the issuance of the supplemental bill after the subsequent change in ownership of the property. The County did not explain why Code section 75.54(c) was applicable to this supplemental assessment given that the supplemental bill had already been issued prior to the foreclosure sale.

Denise had no notice of any property taxes being due until 2018 incident to her sale of real property unrelated to the LLC. Denise never received any (1) notices of supplemental assessment pursuant to Code section 75.31(a), (2) supplemental assessment bills, (3) notices of delinquency as recommended in the County Tax Collectors' Reference Manual, sections 2300 through 2304 and 2341 or (4) notices of the filing of the Certificates of Lien pursuant to Code section 2191.3.

The County could not provide copies of any of the following nor inform us of when they were issued:

- 1. notices of supplemental assessment;
- 2. notices of delinquency issued to Denise; and

3. notices of the filing of the Certificates of Lien issued to Denise.

The County was not able to provide copies of the supplemental assessment bills, although it did provide the issue dates for the bills.

There is no evidence the County gave any notice of the filing of the Certificates to any of those persons against whom the liens were recorded except to 5110 Hillsdale Circle, Suites 200 and 300, El Dorado Hills, CA 95762, the mailing address of the LLC. Thirty-four persons were jointly and severally liable for the property taxes, yet Denise paid the entire liability. Denise probably has a cause of action against the other persons for contribution, but the cost of filing and serving a complaint on 33 persons makes such an action uneconomic.

The Certificate of Lien for the supplemental assessment numbered 2005-611780S was recorded on July 24, 2008. Since the County did not file a lien extension, this lien ceased to be effective on July 24, 2018 pursuant to Code section 2191.4. In addition, the County canceled the bill for this supplemental assessment and issued a new bill numbered 2005-6122986S to replace it. See page 4 of the 35 page "Event Detail for Parcel: 108-274-11-100" provided to us by the County, which is enclosed as **Exhibit E**. Because interest accrues monthly, the fact the interest and fees for supplemental assessment 2005-611780S, which bill was issued on October 3, 2008, are lower than the interest and fees for supplemental assessment 2005-6122986S. At a minimum, the County should refund the amount paid for supplemental assessment 2005-611780S, \$5,510.71, plus interest.

The County should abate the interest, costs and other charges resulting from the tax delinquency because Denise was unaware of the unsecured taxes allegedly owed by her until 2018. However, Code section 4985.2 allows cancellation only if the tax due is paid in full no later than June 30 of the fourth fiscal year following the fiscal year in which the tax became delinquent. Abatement is impossible in this case because Denise was unaware of her alleged liability until long after the fourth fiscal year following the fiscal year in which the tax became delinquent. This Catch-22 exemplifies why Code section 75.54(c) is inapplicable.

The County told us it did not issue the bills for supplemental assessments 2005-612968S, 2004-2233875 and 2004-223385S, for event dates of February 8, May 24 and April 26, 2005 until December 31, 2009, February 3, 2010 and February 3, 2010, respectively. One wonders why it took so long to issue the bills? The County never offered an explanation. One also wonders whether the Assessor timely enrolled the supplemental assessments by July 1, 2008, four years from the July 1 of the assessment year in which the changes in ownership occurred?

Rev. & Tax. C. § 504. The County told us it has no evidence of when the Assessor enrolled the supplemental assessments on the supplemental roll.

Conclusion.

Denise was shocked to learn she had personal liability for the property taxes of the LLC. Denise tried diligently to resolve this issue with the County, but was unable to do so. Denise was advised her only remedy was to file the enclosed claims for refund.

Because the Certificates encumbered all Denise's property, the County forced Denise to pay the property taxes at issue in order to close the sale of real property having nothing to do with the LLC. Based upon the foregoing discussion, in all fairness the County must allow all four claims for refund. Please contact me if you have any questions. Thank you.

Very truly yours,

Robert R. Rubin

CLAIM FOR REFUND OF PROPERTY TAXES ORIGINAL BILL NUMBER 2005-611780S

The undersigned, the claimant herein, hereby makes this claim for refund of taxes pursuant to Revenue and Taxation Code section 5097 and demands that the Board of Supervisors make its order directing the controller of said County to refund to claimant the sum of \$5,510.71, plus statutory interest, for taxes, penalties and fees levied for the fiscal year 2005-2006.

In support of said claim the undersigned states:

- 1. Claimant is and at all times herein mentioned was an individual whose mailing address is P.O. Box 32, Shingle Springs, El Dorado County, California 95682.
- 2. For the fiscal year at issue the Assessor of El Dorado County assessed to claimant certain property located in said County and described as follows:
 - a. Original bill number 2005-6117808
 - b. Event date February 8, 2005
 - c. Unsecured bill number 2007-015631

- 4. Claimant is entitled to a refund in the amount of \$5,510.71 on the grounds that:
 - a. The claimant was not a "person who would have been the assessee if the additional change in ownership [on December 10] had not occurred." Hence, Revenue and Taxation Code section 75.54(c) is inapplicable, the secured roll assessments never should have been transferred to the unsecured roll, and the claimant has no personal liability for the property taxes at issue.
 - b. Alternatively, assuming arguendo section 75.54(c) applies, the assessment upon which the bill is based was improperly transferred to the unsecured roll in violation of Revenue and Taxation Code section 75.54(c) because the supplemental bill was issued before the subsequent sale.
 - c. Bill number 2005-611780S was canceled and is duplicative of bill no. 2005-611780S.
 - d. The Certificate of Lien ceased to be effective on July 24, 2018, 10 years after it was recorded pursuant to Revenue and Taxation Code section 2191.4.
