The total amount of this agreement shall not exceed \$20,000.

All funding shall be used for direct costs of the project and not for staff time, administrative, or overhead costs. Funding shall not be used for political advocacy of any kind and shall not be used for individual person or business promotion or

advertisement. Any person or business name mentioned in County-funded materials must be a sponsor or direct participant in the event or promotional effort. Any listing of service or product providers or co-sponsors must be inclusive. Any advertising space or time purchased by a person or business must be clearly and separately identified as paid advertising.

ARTICLE II

Term: This Agreement shall become effective upon final execution by both parties hereto and shall continue in effect through June 30, 2023, or until the final statement of funds report has been accepted by County. Any funds that have not been expended by Grantee after the expiration of this Agreement shall be returned to County within sixty (60) days of County's request for same.

ARTICLE III

Funding Credit: Grantee agrees to credit County for the grant on all printed or internet materials generated for the project during the grant cycle by using County seal, unless otherwise requested or agreed upon with County. Electronic versions of print and web-ready County seal will be provided upon request. If there are no printed materials, credit to County is to be announced by Grantee verbally at the event or program.

ARTICLE IV

Local Sourcing: Grantee shall make every reasonable effort to secure and/or purchase materials, supplies, and labor from local businesses and the local labor pool. For purposes of this Agreement, a local business is one that maintains a current business license from the Treasurer/Tax Collector of El Dorado County.

ARTICLE V

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

ARTICLE VI

Reports Required: By September 1st of each contract year, the Grantee shall provide a statement, in reasonable detail, regarding the disposition of funds and shall return any unused funds. If the advanced funds have not been used for the purpose stated herein within sixty (60) days following the event, all funds shall be returned to County each contract year.

ARTICLE VII

No Joint Venture: This Agreement shall not create a joint venture, partnership, or any other relationship of association between County and Grantee.

ARTICLE VIII

No Grant of Agency: Except as the parties may specify in writing, neither party shall have authority, express or implied, to act on behalf of the other party in any capacity

whatsoever as an agent. Neither party shall have any authority, express or implied, pursuant to this Agreement, to bind the other party to any obligation whatsoever.

ARTICLE IX

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, El Dorado County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety.

ARTICLE X

Audit by California State Auditor: Grantee acknowledges that if total compensation under this Agreement is greater than \$10,000, this Agreement is subject to examination and audit by the California State Auditor for a period of three (3) years, or for any longer period required by law, after final payment under this Agreement, pursuant to California Government Code § 8546.7. In order to facilitate these potential examinations and audits, Grantee shall maintain, for a period of at least three (3) years, or for any longer period required by law, after final payment under the Agreement, all books, records, and documentation necessary to demonstrate performance under the Agreement.

This duty of Grantee to indemnify and save County harmless includes the duties to defend set forth in California Civil Code Section 2778.

ARTICLE XIV

insurance that meets the following requirements:

- A. Full Workers' Compensation and Employers' Liability Insurance covering all employees of Grantee as required by law in the State of California.

- G. Grantee agrees that the insurance required herein shall be in effect at all times during the term of this Agreement. In the event said insurance coverage expires at any time or times during the term of this Agreement, Grantee agrees to provide at least thirty (30) days prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of term of the Agreement, or for a period of not less than one (1) year. New certificates of insurance are subject to the approval of Risk Management and Grantee agrees that no work or services shall be performed prior to the giving of such approval. In the event Grantee fails to keep in effect at all times insurance coverage as herein provided, County may, in addition to any other remedies it may have, terminate this Agreement upon the occurrence of such event.
- H. The certificate of insurance must include the following provisions stating that:
 - 1. The insurer will not cancel the insured's coverage without prior written notice to County; and
 - 2. The County of El Dorado, its officers, officials, employees, and volunteers are included as additional insured, on an additional insured endorsement, but only insofar as the operations under this Agreement are concerned. This provision shall apply to the general liability policy.

- I. Grantee's insurance coverage shall be primary insurance in respect to County, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by County, its officers, officials, employees, or volunteers shall be in excess of Grantee's insurance and shall not contribute with it.
- J. Any deductibles or self-insured retentions must be declared to and approved by County.

The remedies herein provided are cumulative and are not exclusive of any other remedies provided by law.

ARTICLE XVII

Interest of Grantee: Grantee covenants that Grantee presently has no personal interest or financial interest, and shall not acquire same in any manner or degree in either: 1) any other contract connected with or directly affected by the services to be performed by this Agreement; or, 2) any other entities connected with or directly affected by the services to be performed by this Agreement.
