Summary of qualifications <b>I am an Army Veteran, having served in the Army Strategic Communications Command at Fort Huachuca AZ and Camp Red Cloud Korea. I served under the Women's Army Corp and US Regular Army. After discharge from the Army, I worked at a Veteran's Hospital in Butler Pennsylvania in administration. Why do you seek appointment? <b>Coming from a family of veterans, I would like to be a part of the Commission in their efforts to promote public support for veterans and the armed forces both in our County and statewide. In addition, I would welcome the opportunity to be a part of the reviewing process for current and future proposed policies and programs that would affect veterans.</b>			
Additional Information <b>My experience as the Assistant Governor for Rotary's District 5190 gave me the opportunity to meet many individuals statewide. All of us had a common goal - service above self, which was the driving force for the many projects locally and worldwide that Rotary members participated in. I believe that this same principle can be applied to promoting veterans and the various programs that are needed.</b>
