| Why do you seek appointment? My years mentoring youth at Big Brothers Big Sisters (BBBS) have really opened my eyes to the massive need to help underprivileged families and at-risk youth in our county. This is a very important matter to me. By working on this commission, I feel I can help streamline processes and drive outreach to those families in need and make our community stronger and healthier as a result. | | | |
| Additional Information - 40 years as Director and Vice president in the high tech environment (Intel Corp Folsom, et el) has helped me learn effective ways to drive towards desired results. This includes working on strategies and executing them. - Volunteering time through the Red Cross (for Katrina) and BBBS has sensitized me to the needs of those in the populace that are without the basic tools or knowledge on how to help themselves. One of my key learnings: If you show people how, they will most likely take it from there! - At Intel and other corporations I've worked at over the years, I was involved and drove many efficiency-related reorganizations to success. | | | |
| If known, indicate the member of the Board of Supervisors who will receive a copy of this application I am in district 1. My Board of Supervisor is John Hidahl | | | |
