Lessee shall permit Lessor or Lessor's authorized agent, representative, or employees to enter the Premises upon reasonable notice, for the purpose of inspecting the Premises to determine whether Lessee is complying with the terms of the Lease Agreement and for the purpose of doing other lawful acts that may be necessary to protect the Lessor's interest in the Premises under this Lease, so long as said inspections or other acts do not interrupt or obstruct the Lessee's business operations at said Premises.

**13. SERVICES FURNISHED BY LESSOR**

Except as provided elsewhere herein, Lessor shall, at Lessor's own cost and expense, maintain the landscaped areas, roof, structural supports and exterior surfaces of the building, of which the Premises are a part, in good order and repair, excepting therefrom any repairs caused by the negligent or willful act of the Lessee or Lessee's employees, agents or clients. A. Lessee shall keep and maintain the interior of said Premises including, but not limited to the windows, heating and air conditioning filters, plumbing fixtures, electrical fixtures and components (including electronics), sidewalks adjacent to said Premises, in good and sanitary order, condition and repair. C. Lessee shall keep, maintain and clean manufactured work-stations and appurtenances which are leased to the Lessee with the Premises. The condition of same shall be maintained in as good order and repair as provided by Lessor, excepting normal wear and tear.

D. Lessor agrees to and shall, to the extent of available insurance proceeds forthwith upon receiving written notice from the Lessee to do so, rebuild or restore to their present condition the leased Premises destroyed in part by fire or other casualty and in such case the Lessee hereby waives the provisions of Section 1932, subdivision (2) of the California Civil Code. As used herein, "destroyed in part" means any destruction other than a total destruction hereinbefore defined. This Lease shall continue in full force and effect except that Lessee shall be entitled to a proportionate reduction of the rent while such repairs are being made, such proportionate reduction to be based upon the extent to which the making of such repair shall materially interfere with the business carried on by the Lessee in the Premises. To the extent damage is due to the fault or negligence of the Lessee or its employees, the rent shall be abated proportionately based on the fault or neglect of the Lessee.

B. Notwithstanding anything to the contrary contained in this article, in the event that fifty (50%) percent or more of the Premises are destroyed, Lessor shall not have any obligation whatsoever to repair, reconstruct or restore the Premises when the damage

resulting from any casualty covered under this article occurs during the last twelve (12) months of the term of this Lease or any extension thereof.

C. Lessor shall not be required to repair any injury or damage by fire or other cause, or to make any repairs or replacements of any panels, decorations, office fixtures, railings, floor coverings, partitions, or any other tenant improvements installed in the Premises by the Lessee, unless said damage is caused by the Lessor.

**17. CONDEMNATION OF PREMISES**

Should all or any part of the Premises be taken by any public or quasi-public agency or entity, other than the County of El Dorado, under the power of eminent domain during the term of this Lease:

A. Either Lessor or Lessee may terminate this Lease by giving the other party thirty (30) days written notice of termination; provided, however, that Lessee cannot terminate this Lease unless the portion of the Premises taken by eminent domain is so extensive as to substantially interfere or obstruct the Lessee's use of the Premises for the purposes intended by this Lease.

**18. ASSIGNMENT OR SUBLEASING**

Lessee shall not sub-lease, encumber, assign, or otherwise transfer its rights or interest under this Lease without the express written consent of the Lessor first had and received, provided said consent shall not be unreasonably withheld.

**20. ACTS CONSTITUTING BREACHES BY LESSEE**

Lessee shall be guilty of a material default and breach of this Lease should:

A. Any rent be unpaid when due and remaining unpaid for thirty (30) days after written notice to pay such rent or to surrender possession of the Premises has been given to Lessee by Lessor;

B. Lessee's default in the performance or breach of any provision, covenant, or conditions of this Lease other than one for the payment of rent and provided such default or breach is not cured within thirty (30) days after written notice thereof is given by the Lessor to Lessee; or

C. Lessee's abandonment of the Premises for a period in excess of one-hundred twenty (120) days prior to the expiration of the term of this Lease.

**21. WAIVER OF CLAIMS**

Lessee, as a material part of the consideration to be rendered to Lessor, hereby waives all claims against Lessor for damages to goods, wares, and merchandise, in, upon or about said Premises, and for injuries to the Lessee, about said Premises from any cause except the willful misconduct or gross negligence of the Lessor, his agents, employees, subcontractors, heirs or assigns, damage or injury to any person arising from the use of the Premises in good condition and repair, as herein provided.
