Re: **Sundance Subdivision; Request for Continuance**

Dear Chairman Nutting:

The above-referenced project is scheduled to be heard by your Board on January 11, 2011. Although the project has been fully vetted and comes to you with a positive recommendation from the Planning Commission some issues have been raised which we would like to attempt to resolve. We would therefore request that the project be continued off calendar. Thank you for your consideration.

Very truly yours,
