

LICENSE AGREEMENT #6953
(PUBLIC SAFETY POWER SHUTOFF)

This License Agreement ("**License Agreement**") is made and entered into this _____ day of _____, 2022 (the "**Effective Date**") by RICHARD ANDERSON & CHERYL ANDERSON, hereinafter called "**LICENSOR**", the EL DORADO COUNTY, a political subdivision of the State of California, hereinafter called "**COUNTY**," and PACIFIC GAS AND ELECTRIC COMPANY, a California corporation, hereinafter called "**PG&E**." PG&E, COUNTY and LICENSOR are sometimes hereinafter each singularly referred to as "**PARTY**" and collectively as "**PARTIES**".

R E C I T A L S:

A. LICENSOR owns the certain real property commonly known as GEORGETOWN LIBRARY, located at 680 Orleans Street, Assessor's Parcel Number 061-352-032-000, hereinafter called the "**Property**," located in the City of Georgetown, County of El Dorado, State of California. The Property includes a parking lot ("**Parking Lot**") containing approximately 10+ parking spaces.

i. COUNTY leases a portion of the Property from LICENSOR for purposes of operating a public library.

B. PG&E desires to partner with LICENSOR and COUNTY in connection with a Public Safety Power Shutoff Event ("**PSPS Event**"). For purposes of this License Agreement, a "**PSPS Event**" means the existence of one or more environmental conditions creating extreme fire danger that results in the shutoff of power for public safety. Examples of PSPS Events include but are not limited to red flag warnings issued by the United States National Weather Service, low humidity levels, high winds, and dry vegetation.

C. The PARTIES desire to memorialize this mutual understanding and agreement for making the Property available to PG&E in connection with a PSPS Event.

NOW, THEREFORE, for good and valuable consideration, LICENSOR and PG&E agree as follows:

1. Grant of License. Subject to the terms and conditions set forth in this License Agreement, LICENSOR grants and COUNTY agrees to allow PG&E, and its employees, contractors, agents, and representatives ("**PG&E's Representatives**") and PG&E's customers the right to use the License Area described in **EXHIBIT A** attached hereto (the "**License Area**") and certain interior areas of the Property in connection with a PSPS Event, together with rights of ingress and egress to and from the License Area, and the right to use certain exterior areas of the Property as set forth below. All of the activities of PG&E and PG&E's Representatives pursuant to this License Agreement are referred to herein as "**PG&E's Activities**."

2. Use of License Area and Interior Common Areas of the Property. During Use Days (as defined in Section 5 below), PG&E and PG&E's Representatives and customers shall have the exclusive right to use the License Area as a customer resource center. Services to be provided in the License Area may include, among other things, providing PG&E customers with

water and snacks and the ability to charge phones and get up-to-date information on outages. PG&E and PG&E's Representatives shall have the right to set up tables and chairs in the License Area. In addition to the exclusive use of the License Area, PG&E and PG&E's Representatives and customers shall have the nonexclusive right, during Use Days, to use lobbies, hallways, stairways, elevators (if operational), and other interior common areas of the Property. PG&E and PG&E's Representatives shall also have the right to install temporary directional signage in the common areas of the Property.

3. Staging Area; Parking.

(a) Staging Area. During Use Days, PG&E and PG&E's Representatives shall have the exclusive right to use the exterior area of the Property shown on **EXHIBIT A** (the "**Staging Area**") to support the operation of an indoor customer resource center in the case of a PSPS Event. PG&E and PG&E's Representatives shall have the right to set up tents, install trailers, portable toilets, fencing, and temporary signage, park mobile vehicle units and other vehicles, and deliver and stage equipment, supplies and materials in the Staging Area.

(b) Parking. PG&E and PG&E's Representatives and customers shall have the non-exclusive right to park vehicles in portions of the Parking Lot shown on **EXHIBIT A** during Use Days.

(c) Personnel. During Use Days PG&E shall have the exclusive right to use the License Area, up to twenty-four (24) hours per day. Hours for use to PG&E customers shall be from 8:00 am to 8:00 pm. On Use Days, the License Area shall be fully staffed by PG&E and its representatives, at PG&E's sole cost and expense. PG&E shall provide uniformed unarmed security at its cost and expense to ensure the protection of its equipment, the safety of the public and to prevent any damage to the Property.

4. Generator. Subject to the terms and conditions of this Section 4, LICENSOR grants PG&E and PG&E's Representatives a license to install, maintain, operate, repair, and replace a generator and related equipment (collectively, the "**Generator**") in the exterior area of the Property shown on **EXHIBIT A** attached hereto (the "**Generator Site**"). At PG&E's option, PG&E or PG&E's Representatives may install temporary fencing, bollards, or other barriers around the Generator Site. LICENSOR grants to PG&E and PG&E's Representatives exclusive use of the Generator Site. PG&E anticipates that the Generator may remain in place from approximately June 1 until December 31 of each year, and PG&E and PG&E's Representatives shall have the right, without prior notice to LICENSOR, to enter the Property at all times to access the Generator. PG&E, at its expense, shall be responsible for obtaining all required permits for the Generator and complying with all laws relating to the Generator. Notwithstanding the definition of PG&E's Activities, the presence of the Generator on the Property and activities related to the Generator shall not be considered PG&E's Activities for purposes of determining Use Days, and PG&E shall not be required to pay any additional license fees or other sum in connection with the Generator. The Generator is solely for the benefit of PG&E and PG&E's customers. PG&E makes no representations or warranties to LICENSOR regarding the operation, capacity, or condition of the Generator, and PG&E shall have no liability to LICENSOR in connection with any failure or malfunction of the Generator. Promptly

after the expiration of the term of this License Agreement, PG&E or PG&E's Representatives shall remove the Generator and any barriers installed by PG&E or PG&E's Representatives.

5. Term. This License Agreement shall be for a term of three (3) years, commencing upon date of execution (the "**Commencement Date**"), and expiring on September 30, 2025 (the "**Termination Date**"). Notwithstanding the term of this License Agreement, PG&E anticipates that it will use the License Area and the Staging Area on an occasional basis, if at all, for periods of approximately two (2) to ten (10) days at a time. The days (including any partial days) during which any of PG&E's Activities are occurring in or on the License Area or the Staging Area are referred to herein as "**Use Days**." During Use Days, PG&E shall have the exclusive right to use the License Area and the Staging Area twenty-four (24) hours per day.

6. License Fee. PG&E shall pay to COUNTY a license fee ("**License Fee**") of Five Hundred Dollars (\$500.00) per day for each Use Day.

7. Priority Scheduling. PG&E shall give COUNTY at least eight (8) hours' prior notice (the "**PSPS Notice**") of the dates and times that PG&E desires to access and use the Property in connection with a PSPS Event. Within four (4) hours after receipt of a PSPS Notice, COUNTY shall confirm receipt of the PSPS Notice. PG&E's use of the Property in connection with a PSPS Event shall take priority over other uses and events. If another use or event is scheduled at the Property that would conflict with PG&E's use of the Property during the dates and times specified in the PSPS Notice, COUNTY shall cancel such event and indemnify and defend PG&E from any and all Claims related to such cancellation. COUNTY acknowledges that PG&E may give COUNTY multiple PSPS Notices during any calendar year.

8. Use of License Area and Staging Area.

(a) As Is. To LICENSOR'S current actual knowledge, the Property complies with all laws, including the Americans with Disabilities Act and other accessibility laws. PG&E accepts the License Area and the Staging Area "AS-IS," "WHERE-IS" and "WITH ALL-FAULTS," subject to all applicable zoning, municipal, county and state laws, ordinances, and regulations governing and regulating the use of the License Area and the Staging Area. PG&E may request LICENSOR to perform alterations, repairs, or improvements to the License Area and the Staging Area, but PG&E understands and agrees that LICENSOR shall not be obligated to make any such alterations, repairs or improvements at any time. Except in the event of an emergency, PG&E shall not make any alterations, repairs or improvements to the Property without the prior written consent of LICENSOR, which consent shall not be unreasonably withheld, conditioned or delayed.

(b) Use. PG&E shall exercise reasonable care in the conduct of PG&E's Activities in the License Area and the Staging Area. Without limiting the generality of the preceding sentence, PG&E shall maintain the License Area and the Staging Area in reasonably neat and orderly condition during Use Days; provided, however, that LICENSOR and/or COUNTY, as part of the License Fee and without additional compensation, shall provide all necessary janitorial services to the License Area and common areas during Use Days, including, but not limited to, removing trash and stocking restrooms with supplies. PG&E shall not use the License Area or the Staging Area or permit anything to be done in or about the License Area or

the Staging Area during Use Days that will in any way conflict with any law, statute, zoning restriction, ordinance or governmental rule or regulation or requirement relating to the use or occupancy of the License Area or the Staging Area. During Use Days, PG&E shall not allow the License Area or the Staging Area to be used for any unlawful or objectionable purpose, nor shall PG&E cause, maintain or permit any nuisance in, on or about the License Area or the Staging Area.

(c) Mechanic's Liens. PG&E shall keep the Property free and clear of all mechanic's liens arising, or alleged to arise, in connection with any work performed, labor or materials supplied or delivered, or similar activities performed by PG&E or at PG&E's request or for PG&E's benefit. If any mechanic's liens are placed on the Property in connection with PG&E's use or PG&E's Activities, PG&E shall diligently pursue all necessary actions to remove such liens from title, either by payment or by recording a lien release bond in the manner specified in California Civil Code Section 8424 or any successor statute.

(d) Restoration. Upon PG&E's ceasing to use the License Area and the Staging Area in connection with a particular PSPS Event, PG&E shall remove all personal property of PG&E from the License Area, remove all vehicles, personal property, debris and waste material of PG&E and PG&E's Representatives from the Staging Area, and repair and restore the License Area and the Staging Area as nearly as reasonably possible to the condition that existed prior to PG&E's entry hereunder.

(e) Water Discharge. PG&E's activities may require potable water-filled equipment, such as barrels or water barriers to weigh down tents or other equipment, or to delineate outside areas on the Property. All potable water-filled equipment shall be cleaned prior to use and filled with water from a potable water source only. Any water discharged from the water-filled equipment shall be discharged to onsite unpaved land (i.e., soil) only. PG&E and PG&E's representatives shall ensure best management practices are implemented including but not limited to ensuring water is observed for any potential sediments, trash or other contaminants; the discharge area selected is 100 feet from a water body; and the discharge is done to avoid ponding and erosion. If the water needs to be discharged to a storm drain, PG&E will obtain local stormwater agency approval. This License Agreement authorizes the discharge of potable water from water-filled equipment on to the Property as described above. PG&E shall notify LICENSOR if water discharge is necessary.

9. Notices. All notices under this License Agreement shall be sent by email to the addresses set forth in **EXHIBIT B**. In addition, LICENSOR and COUNTY will provide PG&E with telephone or cellphone numbers of staff in calling order to contact in an emergency as set forth in **EXHIBIT B**. **EXHIBIT B** shall be updated as needed to reflect current names and contact information.

10. Indemnity, LICENSOR. Except to the extent caused by the negligence or willful misconduct of LICENSOR, its officers, agents, or employees, PG&E shall indemnify, defend and hold harmless LICENSOR and its governing body, officers, agents, and employees from and against all claims, losses, actions, demands, damages, costs, expenses (including, but not limited to, reasonable attorneys' fees and court costs) (collectively, "**Claims**") that are caused by PG&E's Activities, or the entry on, occupancy or use of, the Property by PG&E or PG&E's

Representatives under this License Agreement, including, but not limited to, Claims relating to (i) injury to or death of persons, including, but not limited to, employees of LICENSOR or PG&E; (ii) injury to the property of LICENSOR, and (iii) violation of any applicable federal, state, or local laws, statutes, regulations, or ordinances by PG&E or PG&E's Representatives. In no event, however, shall PG&E be liable for any indirect or consequential damages or for loss of profits or other revenue, loss of goodwill, or loss of use. The indemnification obligations of PG&E under this Section 10 shall survive the expiration or earlier termination of this License Agreement.

11. Indemnity, COUNTY. Except to the extent caused by the negligence or willful misconduct of COUNTY, its officers, agents, or employees, PG&E shall indemnify, defend and hold harmless COUNTY and its governing body, officers, agents, and employees from and against all claims, losses, actions, demands, damages, costs, expenses (including, but not limited to, reasonable attorneys' fees and court costs) (collectively, "**Claims**") that are caused by PG&E's Activities, or the entry on, occupancy or use of, the Property by PG&E or PG&E's Representatives under this License Agreement, including, but not limited to, Claims relating to (i) injury to or death of persons, including, but not limited to, employees of COUNTY or PG&E; (ii) injury to the property of COUNTY, and (iii) violation of any applicable federal, state, or local laws, statutes, regulations, or ordinances by PG&E or PG&E's Representatives. In no event, however, shall PG&E be liable for any indirect or consequential damages or for loss of profits or other revenue, loss of goodwill, or loss of use. The indemnification obligations of PG&E under this Section 10 shall survive the expiration or earlier termination of this License Agreement.

12. Insurance. PG&E shall at all times during the Term of this License Agreement, self-insure for PG&E's Activities pursuant to this License Agreement in accordance with **EXHIBIT C**.

13. Alterations to Property. LICENSOR hereby grants and COUNTY agrees, PG&E and PG&E's Representatives the right to perform, at PG&E's expense, the alterations to the Property described in **EXHIBIT D** attached hereto. PG&E or PG&E's Representatives will coordinate the scheduling of the performance of such alterations with LICENSOR.
