To Whom It May Concern:

I am applying for an appointment on the El Dorado County Early Care and Education Planning Council. I am representing the El Dorado County Library and its patrons. I feel I would be an asset to your council because I have extensive experience working with children and families. I have been a teacher and librarian for the past 10 years and welcome every opportunity to serve the youth of our county.

The library provides programming for children ages 0-18 but we cannot be all things to all people. We look to our community partners: local school districts, service districts, etc to share resources and provide referrals. A seat on your council would allow the library to increase collaboration and better serve our families.

Thank you for your consideration.

Sincerely,

*Nancy Owen-Hazard*
