9. Summary of qualifications related to group(s) listed above. (What experience or special knowledge do you bring to your area of interest?) As Vocational Counselor for the Welfare to Work program one of my main objectives is to assist in the removal of barriers that keep people from reaching their full vocational potential; finding and keeping quality childcare that meets the individual's needs is one example. Through this work I have worked collaboratively in numerous settings to this end.	
10. Affiliations with professional and/or community groups: As an employee of Health and Human Services I am involved in the CalWORKS Housing Support Program, Callearn (working with pregnant and parenting teens), as well as providing workshops to the general public. In each of these capacities I have had the opportunity to interface with other community service providers - Early Head Start, EDCOE, Etc.	
11. Why do you seek appointment? As mentioned in answer #9 my work is affected by the availability of quality childcare. I am also personally dedicated to children and youth and have spent much of my personal time promoting and working to improve the quality of life for our next generations. Early Care and Education is imperative to reaching this goal.

Additional Information: Give any information explaining your qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for above Board, Commission, or Committee. Attach additional sheets as necessary. I have a B.A. in Psychology and have worked in various volunteer capacities in community groups and non profits. Having served as a District Director for the Amador Chamber of Commerce for a number of years as well as working with youth directly has provided me with both the hands-on and collaborative work needed to be an effective council member.	
13. Indicate Supervisor who will receive a copy of this application:	

Appointees to Boards, Commissions or Committees are not considered to be County employees for purposes of benefits, such as Workers Compensation, health insurance, etc
