Why do you seek appointment? <b>I have lived and worked in the Lake Tahoe Basin for over thirty years. My wife and I bought our house in Christmas Valley in 1994, and over the years, I have developed a real affinity with the community of Meyers. My 20 years with the US Forest Service at the Lake Tahoe Basin Management Unit allowed me to make a positive difference for the Lake Tahoe environment in many ways. I would like the opportunity to continue to have a positive impact here in Meyers in my retirement years.</b>			
Additional Information <b>I joined the USFS Lake Tahoe Basin Management Unit in 1994, and fought fire with various crews, from Redding to Markleeville, for more than 25 years. During that time, I was the Crew Boss of LTBMU Fuels Reduction Crew 4 from 2001 to 2011. We were responsible for building fire breaks and thinning forest lands around the entire lake. For several years, I volunteered for the Bijou Community School Outdoor Club; we took groups of kids on hikes, cross country ski trips and week-long educational camping trips to the Outdoor Education Center at Mono Lake, run by the Mono Lake Committee. I am an avid backcountry skier, hiker, bicycle commuter, photographer and fisherman. I honorably served in the US Navy for eight years in my youth.</b>
