Attn: Greg Stanton

Dear Greg,

This letter is to advise El Dorado County that Sierra Pacific Industries is willing to negotiate the possibility of selling or leasing ten to fifteen acres or more of our industrial/agricultural properties in the Camino area as discussed in our meeting earlier this year.

The enclosed map highlights three different areas that could be the possible location of the cogeneration facility being contemplated by the county. If you have any further questions of needs please don't hesitate to contact me and we would be happy to be of assistance.

Best regards,
